University of St. Thomas Seal

Welcome back students!! Have you noticed more students walking around our University Seal right outside the Moran Parking Garage?

The Class of 2016 is the first inaugural class to start the UST tradition of keeping off the seal! Why? On the Seal, the words "Cresamus in Cristo," means "we grow in Christ." The first dove with the Sun shining down on it represents the Virgin Mary, the star represents the great state of Texas, the flowers represent the battle of San Jacinto, and the last dove represents St. Thomas Aquinas, for which our wonderful school is named. So please respect this symbol, jump into it for the last time until graduation, and continue to walk around the seal!

DIRECTOR'S CORNER

Welcome to our newest UST residents and welcome back to our returning residents. Its so great to see all of you again and meet many of you for the first time. I hope the start of your classes has been a great one as you all jump into preparing for your Fall 2012 semester here at UST. A special thank you to the entire Residence Life team, our Judicial Board volunteers, and our Residence Council leaders for helping with move in and all the great welcome events this past week.

As I walk the halls this year, I would love to hear how your classes are going, how you and your roommate are growing together, and how we can make your home even better than you imagined it to be. Happy Wednesday all and Happy Resident Appreciation Day!

Have a Blessed Week! - Yolanda
