Business Ethics Society

MBA * MSA * MSF

What is BES: A student-led organization of MBA, MSA and MSF students enrolled at the University of St. Thomas, affiliated with the Cameron School of Business Center for Business Ethics

Our Vision: To build ethics in society through leadership, service and integrity

Our Mission: To network with the business community, build relationships, facilitate career paths and develop ethical leaders – the key to creating sustainable future – both personal and professional

Our Members: Students network with colleagues, get involved with community projects, attend high profile lectures and participate in roundtable discussions on ethics and leadership. There are no annual dues.

The benefits: The benefits are many that include applying the skills learned in MBA courses, building cross cultural relationships, creating contacts with business professionals, sharpening your leadership skills, developing ethical principles, and highlighting on your resume professional experience gained through community service.

Amom Foundation: BES adopted Amom Foundation as a signature program to ensure the longevity of our Society and to provide value through service. We are very excited to be partnering with Amom Founder/CEO and UST/MBA alumni, Kitz Fondzenyuy, in an effort to provide educational programs for children in poor rural areas in Cameroon, Africa. This Fall, on October 4th, BES is hosting a fundraiser gala for Amom Foundation.

BES Active Profile

- Elicited high profile business professional, Ron Farmer, CEO of US LED to UST for a discussion on: "Strong Values Equals Strong Business"
- BES members made blankets for area fire department through Project Linus – President's Day of Service (community service)
- Adopted Amom Foundation
- Hosted a fundraiser kick-off for Amom Foundation
- Elicited speaker Greg Meyers, Board Member-HISD Board of Education for a discussion on: "Developing an Accountability System within a Large Organization"
- Currently planning for Amom Foundation gala in the Fall
