

University of St. Thomas – Blackboard 9 Training

Creating a Wiki

A wiki is a website of one or more pages that allows people to add and edit content collectively. The wiki starts out with one page (homepage). You can add new pages at any time and link them together.

1. Log into Blackboard and select your course.

2. Click on the Edit Mode button on the right top area of your course. This will switch your view from preview to edit mode.

3. Navigate to the Course Management area on the left of your course.

- Expand the Course Tools drop down menu in the Control Panel section.

- Click on the Wikis link.

- Click on Create Wiki.

7. Enter a Name and Instructions for the Wiki.

Create Wiki

A Wiki is a collaborative tool that allows students to contribute and modify one or more pages of Course related content.

* Indicates a required field.
