Group Home Page and Group Tools

A Group Homepage is the hub for a group activity and can contain a description of the Group, a list of members, tools, and assignments. Students can customize the page by adding Personal Modules, such as My Calendar or Report Card, which are visible only to the member who added the modules.

Students Access Groups in several ways:

- Group listing page link – appears on the Course Menu or in a course area, such as a Content Area. The Groups listing page lists all available Groups and Sign-up sheets for Self-Enroll Groups.
- My Groups – appears following the Course Menu. If a student is enrolled in a Group, the area appears automatically.
- Group Link – a link to a single Group, sign-up sheet, or the Groups listing page made available in a course area.

A) The Groups listing page lists all Groups a student is enrolled in and any available sign-up sheets. A link to the Groups listing page can appear on the Course Menu or in a course area, such as a Content Area, folder, Learning Module, or Lesson Plan.

B) Use the double arrows to expand or collapse the My Groups area found following the Course Menu. The My Groups area only appears if the instructor has added Groups to the course and the student is a member of one or more Groups.

C) Expand the Group to the right using the right-pointing arrows to view the Group Homepage in the content frame.

D) The Group Homepage is specifically tailored for each Group.
