

Inline Assignment Grading

Inline grading for Assignments allows you to view, comment, and grade student submitted student assignment files without leaving the Grade Assignment page.

- A. Review and comment directly in the document.
- B. From the inline viewer toolbar you can zoom the contents of the document in or out, open the annotation tools menu to comment in the document, download the document and move from page to page.
- C. Grade the submission from the inline grading sidebar. From here you can view the assignment details, the grading rubric and each attempt. You can type an overall grade and grades for each attempt as well as provide feedback to your students without leaving the page.
