

2015 School of Nursing Application Checklist

- Attend a Nursing Admission Information Session.
- Begin researching outside scholarship opportunities.
- Submit application and required materials for undergraduate admission, available at www.stthom.edu/apply.

Students should complete the UST application process prior to School of Nursing application deadline.

- Submit application and required materials for School of Nursing.

Application deadline: September 30th, 2014

- Start immunization requirements.

Students cannot begin clinical rotations without having completed all required vaccinations. The Hepatitis B Vaccine takes **6 months**. Students should begin this process prior to **November 1, 2014**.

Students will be notified of admission to the School of Nursing prior to December 1, 2014. Details regarding further requirements (including, but not limited to, immunizations, background check, and CPR/First Aid certification) will be issued upon acceptance to the School of Nursing.
