

## Editing Threads

Instructors can edit posts in any thread. If a student added inappropriate or inaccurate content, you can edit the post. When you create or edit a forum, you determine whether students are allowed to edit their published posts.

1. Access a forum and select a thread.

**Forum: Discussion Question 2**  
Organize Forum Threads on this page and apply settings to several or all threads, clicking the column title or the caret at the top of each column. [More Help](#)
