

### Center for Thomistic Studies: 2010-11 Colloquia

The Center colloquium takes place on a weekly basis during the academic year. It consists of a short paper and a discussion, presented by a member of the faculty, a visiting lecturer, or a student. Each doctoral candidate is expected to present at least one colloquium during his or her program. Full-time students of the Center are expected to attend the colloquium.

Sept 2. Mark Kulstad, Professor of Philosophy, Rice University  
"Leibniz and the Possibility of A Priori Scientific Predication"
