

A UNIVERSITY FOR LIFE

As ardent advocates of the right to life, University of St. Thomas students in the Celts for Life student organization put their beliefs into practice and promote the dignity of human life at all stages.

"I believe there is no greater injustice in the world today than to deny someone the right to life. Making a stand for the dignity of all human life on a national level gives the Celts for Life a renewed passion to fight for a culture of life in Houston."

Austin Cruz, 2012 Celts for Life President
