The University of St. Thomas' Chi-Rho Theology Club Presents Theology at the Lab

What: Theology at the Lab

Who: The University of St. Thomas' Chi-Rho Theology Club

When: 7 p.m., Monday, Feb.20

Where: The Black Labrador

4100 Montrose Blvd.

Background: The University of St. Thomas' Chi-Rho Theology Club will host Sr. Paula Jean

Miller as she presents "The Theology Behind Natural Family Planning."

It is not uncommon for the question to arise: Why natural family planning? Why not just go with the flow in society concerning contraception? Natural family planning has much to do with an understanding of the human person, an appreciation of human love and relationships. Sr. Miller, noted for teaching the course Theology of the Body, will weave these vital ingredients together as she

addresses the "Theology Behind Natural Family Planning."

Contact: An informal discussion will follow the presentation. For more information

contact Sr. Madeleine Grace at 713-525-3529 or grace@stthom.edu.
