2018

Strategies For Scaling And Growing Online Programs

October 15 - 17, 2018 | Savannah, GA:

Three-day conference and workshop: Focus of the workshop was ways to enable the faculty teaching in the DNP program to apply a strategic lens to the way to implement our courses online. Address the following questions:

- How to take a more entrepreneurial approach to growing our online programs?
- What kinds of external partnership models exist? How do we gauge institutional readiness for such partnerships?
- How to strengthen collaboration with faculty to promote buy-in for growth and conduct effective market research for new programs?
- What role can innovation play as a differentiation strategy for our online programs?

2017-2018

Nursing Learning Module Development & Implementation: US

Department of Education STEM Grant: Shadow Health simulation avatars piloted and implemented in the BH course for the BH stem project. Customize selected avatars to the stem projects' learning outcomes and objectives.

- Anxiety Avatar
- Cognitive Disorders/Substance Abuse Avatar
- Depression Avatar

Shadow Health avatar simulations: The Shadow Health® Digital Clinical Experience™ (DCE) provides a dynamic, immersive experience designed to improve skills and clinical reasoning through the examination of digital standardized patients. Development of case studies focused on an introduction to theories and concepts of behavioral health nursing, psychopathy, and treatment modalities related to the nursing care of clients and their families.

Development and implementation timeframe: Module Development: August 1, 2017, Module Implementation/Lab Simulation: October, 2017- September 30, 2018

2014

IDEA Teaching & Learning Assessment Workshop:

Attended the workshop as one of the core group of faculty and staff who served as resident experts and led the campus-wide initiative on the IDEA evaluation system to help the campus community more fully utilize the evaluation tool and adopt best practices in its use.

PSON Faculty Development: Learner- Centered Classroom

SCHOLARLY ACTIVITIES

Policy and Best Practice Development

2021-2023: The American Psychological Association's (APA) Guideline Development Panel for the Treatment of PTSD in Adults: An Update: Development of Clinical Practice Guideline for the Treatment of Posttraumatic Stress Disorder (PTSD) in Adults/Recommendation interventions for the treatment of PTSD in adults
