A MESSAGE FROM THE VICE PRESIDENT FOR STUDENT AFFAIRS

August 2017

Dear UST Student:

Welcome to the 2017-2018 academic year at the University of St. Thomas! College provides an opportunity for students to grow in knowledge and to refine their beliefs and values. I encourage you to participate in campus life. By doing so, you will develop new relationships and enrich your college experience leading to new opportunities for personal growth. The Student Handbook and Planner provides the dates for a wide variety of campus events and activities, important deadlines of which you should be aware, and contact information for offices that serve students.

The Mendenhall Achievement Center, on the second floor of Crooker Center, houses offices that can help you succeed at the University of St. Thomas -- the Academic Advising Center, the Career Services and Testing Center, Counseling and Disability Services, and Tutorial Services. The office of the Assistant Vice President for Student Success is also located on the second floor of Crooker Center, as is the International Students Office. You will find workshops and events organized by these offices listed in the Handbook and Planner. The Student Activities office is on the first floor of Crooker Center, as are the offices of the campus student leaders. These offices provide events and programs that will enrich your student experience. I hope you will use your planner to schedule your class assignments, projects, and tests, but also to schedule the out-of-class activities that help to integrate you into our community.

As the Vice President for Student Affairs, one of my primary functions is to promote community standards which are grounded in our institution's Catholic mission. These standards, which provide the basis for the Code of Student Conduct and the policies included in this handbook, allow us to create an atmosphere on campus that supports and enhances your academic and co-curricular success. We strive at all times to act in accordance with our core values of Goodness, Discipline, Knowledge, and Community.

There are many opportunities for students to be involved in campus life. I hope the Student Handbook and Planner will help you organize your schedule so that you can join a club, become a student leader, enrich your spiritual life, participate in recreational sports, or attend athletic events, drama productions, concerts and lectures.

I wish you a very successful year and invite your input and feedback regarding student life at UST. You can reach the Office of Student Affairs by calling (713) 525-3570 or emailing studentaffairs@stthom.edu.

Sincerely,

Patricia McKinley

Vice President for Student Affairs

IN THE BEGINNING

APRIL 28, 1947

The State of Texas approved the University of St. Thomas charter and by-laws on April 28, 1947, making it the first coed, undergraduate Catholic university in Texas.

The founding was a culmination of years of planning by many people, including the Most Reverend Christopher E. Byrne, D.D., bishop of the Catholic Diocese of Galveston, the Rev. Thomas P. O'Rourke, C.S.B., and Mr. George W. Cottingham Sr., editor of the *Houston Chronicle*.

Opening shortly after World War II had ended, UST began with 13 founding faculty and staff members and 42 full-time and 28 part-time students. Classes, taught in the Link-Lee Mansion, cost approximately \$300 a year.

The students organized activities such as the Student Council, the *Bluebonnet* newspaper and the Legion of Mary; several dances were held, including the Christmas formal and a barn dance at the Strake Stables, *way out* in the country on Memorial Drive. The most notable event was Mardi Gras in 1950, where 15,000 people attended.

In 1951, twenty students graduated in the first class, setting UST on a path toward success. It was truly a university "born from the heart of the Church."

CONGREGATION OF ST. BASIL

BASILIAN FATHERS

"In 1947, the Basilian Fathers had a vision of a great university in Houston which would be at the service of both the Church and society."

The Most Reverend Joseph A. Fiorenza
University of St. Thomas: Celebrating Fifty Years
1947-1997

The priests of the Congregation of St. Basil first came to Texas from Toronto, Canada in 1899, to establish a school for boys in Waco. The next year, the Basilians came further south to Houston to found St. Thomas College for Boys (now St. Thomas High School).

In pursuit of bringing a Catholic college to the diocese, the Rev. Thomas P. O'Rourke and the Rev. Vincent J. Guinan were among the key Basilians who founded the University of St. Thomas in 1947.

Over the years, Basilian priests have served UST as presidents and administrators, professors, director of the physical plant, residence hall advisers, directors of Campus Ministry, recruiters, spiritual advisers and much more.

Today, Basilian priests continue to actively serve the UST community in a variety of capacities, and the Basilian vision lives on.

EDUCATING LEADERS OF FAITH AND CHARACTER

The University of St. Thomas builds young men and women of faith and character, educates them to understand themselves and their world and motivates them to act in accordance with Catholic values.

UST President Richard Ludwick believes that as a Catholic university, UST provides a framework of values within which students can strengthen their faith, build their character and become lifelong learners.

Learning about the world requires an education from an institution that understands its own values as it endeavors to educate students about global challenges and opportunities. UST seeks to develop the entire person: spiritually, academically, socially and athletically and provides the knowledge, the discipline and the goodness of countless role models to inspire its graduates to do what is right.

THE UNIVERSITY TODAY

AUGUST 2017

Celebrating its 70th year as an institution of higher education, the University of St. Thomas remains a juxtaposition of tradition and change. Founded in 1947, the University remains Houston's only Catholic university. With a current enrollment of approximately 3,300 students, UST strives to maintain that small campus feel, while providing a large campus experience.

Campus life stays active and engaged through large-scale events such as President's Day of Service, Homecoming, Deck the Mall, Wonderful Wednesdays and Neewollah, and varsity athletics brings both pride and tradition to the community. The UST Research Symposium continues to be a highly regarded academic event held annually, while spiritual events such as the Mass of St. Thomas Aquinas, living Stations of the Cross, and the Mass of the Holy Spirit follow a schedule of Church celebrations.

With Dr. Richard Ludwick beginning his first year as president and the opening of the new Center for Science and Health Professions, there is a new level of excitement on campus this year. Grounded in the liberal arts, students are offered majors in over 35 areas of study including those in STEM, nursing, business, international studies and education. Approximately 22,000 students have graduated from the University, and new programs such as Criminology and Clinical Translation saw their first graduates this year.

The University of St. Thomas embraces the core values held by our Basilian Fathers: goodness, discipline, and knowledge and teaches these core values to the students throughout the curriculum. UST continues to work towards its pursuit of becoming one of the great Catholic universities in America.

SECTION 1: CODE OF STUDENT CONDUCT

Purpose

As a private, liberal arts university, the University of St. Thomas has established standards of conduct to foster a safe environment conducive to learning and development. Students and student groups are expected to conduct themselves in a manner that demonstrates respect for the rights and property of others and upholds the integrity of the university community. The standards of conduct outlined in the Code of Student Conduct were developed in consultation with students, faculty, administrators and staff with specific consideration for the well-being, honor and dignity of all who live, learn and work in our educational community.

Policy/Procedure

1. Authority for Student Discipline

Ultimate authority for non-academic student discipline is vested in the Vice President for Student Affairs of the University of St. Thomas. Disciplinary authority may be delegated to University administrators, faculty members, committees, and organizations, as set forth in this Code of Student Conduct, or in other appropriate policies, rules, or regulations adopted by the Board.

2. Student Participation

Students are asked to assume positions of responsibility in the University conduct process so that they may contribute their skills and insights to the resolution of disciplinary cases. Final authority in disciplinary matters, however, is vested in the Vice President for Student Affairs, and in the University administration.

3. Interpretation of Regulations

The purpose of publishing disciplinary regulations is to give students general notice of prohibited behavior and their rights and responsibilities during the conduct process. This Code of Student Conduct is not written with the intention of replacing or superseding criminal statutes.

4. Inherent Authority

The Vice President for Student Affairs reserves the right to take necessary and appropriate action to protect the safety and well-being of the campus community. The University reserves the right to pursue disciplinary action for any violation of University policy and/or state or federal law -- on or off-campus -- that affects the University's educational interests.

5. Violations of Law and the Code of Student Conduct

Students may be accountable both to civil/criminal authorities and to the University for acts that constitute violations of law and of this *Code of Student Conduct*. Disciplinary action at the University will normally proceed while awaiting the outcome of civil/criminal proceedings and will not be subject to challenge on the ground that criminal charges involving the same incident have been dismissed or reduced.

6. Academic Integrity

Matters of academic integrity are reviewed and enforced under the direction of the Provost and Academic Affairs. Students engaged in acts which may constitute both academic dishonesty and misconduct as defined by the Code may be subject to sanction under both authorities.

7. Student Group and Organization Responsibility

University student groups and organizations are expected to conduct themselves in a manner consistent with the University's function as an educational institution. Student groups and organizations must observe all international, federal, state and local laws and University policies, including the Code, both on and off campus. A student group/organization will be responsible for the actions and conduct of its members, when one or more of its members, acting in the capacity of their membership, commit a violation of the Code. Student groups/organizations found in violation of the Code will be subject to conduct procedures and sanctions in the same manner as individual students, except that student groups/organization cannot be permanently removed from the University.

A complaint filed against a student group/organization does not preclude the possibility of complaints being filed individually against any or all individual students involved in the alleged misconduct.

8. Interim Suspension

Pending a disciplinary conference, the President of the University, Provost and/or the Vice President may take immediate interim disciplinary action against any student who violates a rule or regulation of the University and/or a law of the Federal or State Government, when such action would be considered necessary to serve the best interests of the student defendant and/or the University of St. Thomas. Such "best interests" include but are not limited to the student defendant's physical or emotional safety and well-being, or the safety of students, faculty, community members, staff, administrators, or University property. A student suspended on an interim basis shall be given a prompt opportunity to appear personally before the Vice President in order to discuss the following issues only:

- a. the reliability of the information concerning the student's conduct, including the matter of his or her identity; and
- b. whether the conduct and surrounding circumstances reasonably indicate that the continued presence of the student on University premises poses a substantial and immediate threat to himself or herself or to others or the stability and continuance of normal University functions.

9. Records

Documents that are created and maintained as part of the conduct process are subject to the protections of the Family Education Rights and Privacy Act. Conduct records are maintained by the Vice President for Student Affairs in accordance with the University records retention policy.

10. Categories of Misconduct

12. Case Referrals

Any person may refer a student or a student group or organization suspected of violating this Code of Student Conduct to the Vice President.

Those referring cases are normally expected to serve as the complainant and to present relevant evidence in hearings or conferences. The complainant may request the assistance of an advisor, as set forth in part 16 of this Code of Student Conduct.

13. Conduct Procedures

Upon receipt of an incident report, the Vice President will investigate all suspected and reported violations of the Code. If the Vice President decides to dismiss the allegation(s) as unfounded, the case will be closed. If the Vice President finds the allegation(s) have merit, a Notice of Complaint letter will be sent to the alleged student(s). This letter will include the alleged Code violation(s) and a meeting request to discuss the alleged violations.

At the time of the initial meeting...

- a. The Vice President will request that the student's response to the allegation(s) be in writing and signed by the student.
- b. Upon receiving the written statement, the Vice President will decide to dismiss the allegation(s) or to proceed with the disciplinary process.
- c. If he proceeds, the Vice President decides whether the matter is a minor or major violation of UST's Code of Student Conduct. A major violation of the Code is defined as any violation that may result in suspension or expulsion from the University, which could include violations of State and Federal law.
- d. If the alleged violation is determined to be a potential minor violation of the Code, an administrative hearing will be initiated.
- e. If the alleged violation is determined to be a potential major violation of the Code, the student will be given a choice between an administrative hearing or a hearing with a disciplinary hearing board. The choice must be made in writing at the time of election and presented to the Vice President. If the student elects an administrative hearing, he must affirm that he is aware of and understands that the full range of sanctions, including suspension or expulsion from the University, may be imposed by the Vice President.

The Vice President may defer proceedings for alleged minor violations of this Code of Student Conduct for a period not to exceed sixty (60) days. Pending charges may be withdrawn thereafter, at the discretion of the Vice President.

14. Administrative Hearing

During an administrative hearing, and based on the preponderance of the evidence, the Vice President may impose any of the penalties listed in part 11 of this Code of Student Conduct.

a. The Vice President presents the administrative disposition to the student in writing, which includes:

- The violation charged
- Whether the student is responsible or not responsible for violations charged
- The sanction(s) imposed
- The right to appeal
- The recording of the penalty on his/her permanent record if it is from part 11 j or k.

(In Title IX cases, all parties will receive the written administrative disposition.)

b. A student defendant has seven (7) calendar days from receipt of the outcome letter to appeal the disposition. (In Title IX cases, all parties have the right to appeal the disposition.) Appeals must be made in writing and submitted to the Vice President. Only appeals requested on the basis of one of the following reasons will be heard. (Compelling examples and reasons for the basis must be given at the time of appeal.)

- Procedures outlined in this Code of Student Conduct were not followed during the conduct process.
- Evidence presented during the conduct process was not given reasonable consideration by the Vice President.
- New evidence has become available in the case.
- The sanctions received were excessive.

c. If the student requests an appeal, and it is received in the allotted timeframe and meets the basis for appeal, the Vice President prepares and files a written summary of the case and forwards it to a disciplinary hearing board, as well as the student.

d. If the student does not elect to appeal the case, the Vice President notifies the appropriate University personnel of the disposition, if needed. This having been done, the case is closed.

15. Disciplinary Hearing Board

The Vice President selects an ad-hoc disciplinary hearing board. This board is comprised of five faculty and/or staff and/or student members, not to exceed two student members. Student members are selected from the Student Judiciary.

The committee members shall select a Chairperson from among their number whose duties will be to:

- See to the proper conduct of the hearing.
- Rule on the admissibility of evidence, motions and objectives. A majority of committee members can override the Chairperson's rulings.
- Prepare a letter listing the outcome of the hearing, including any applicable sanctions, and the procedures for appeal.
- Certify the hearing record, if notice of appeal is given.

Both the findings and the sanctions determined by the Disciplinary Hearing Board shall be regarded as recommendations to the Vice President for Student Affairs. Members of the Disciplinary Hearing Board who are themselves charged with a violation of this Code of Student Conduct or with a criminal offense may be suspended from their position on the board by the Vice President for Student Affairs during the pendency of the charges against them. Members found responsible of any such violation or offense may be disqualified from any further participation in the University judicial system.

Disciplinary Hearing Board Procedures

The following procedural guidelines shall be applicable in hearings conducted by a disciplinary hearing board:

- a. The Vice President shall send a charge letter to the student. The letter can be sent via certified mail, email, or hand delivered. It must state the date, time and place for the hearing. It should be dated no later than a week and no earlier than two weeks before the date of the hearing. The letter should include:
 - Alleged Code violations.
 - An advisory to the student defendant of their rights of due process, which include:
 - the right to a private hearing
 - the right to appear in person at the hearing
 - the right to summon witnesses, to examine documents used in evidence, to offer evidence, to question witnesses, and to present a defense to cross-examine
 - the right to appeal the disposition
 - A list of the names of the Disciplinary Hearing Board members.
 - Instructions on the hearing process.
 - An advisory that the Disciplinary Hearing Board may cross-examine the student defendant, or witnesses testifying on their behalf.

A disciplinary hearing may not be postponed except for a serious reason, as determined by the Vice President. Should the student defendant not appear for the scheduled hearing, the Vice President may decide to proceed with the hearing in his/her absence.

- b. The hearing should be formal with the Chairperson providing ample opportunity for witnesses

to be heard. The hearing should be closed and generally proceed as follows:

- The Vice President reads the complaint.
 - The Chairperson informs the student defendant of their rights to due process as outlined in part 15a.
 - The Vice President presents the University's case, using the testimony of witnesses and/or other evidence.
 - The student defendant presents their defense, using the testimony of witnesses and/or other evidence.
 - The Vice President and the student defendant each are given the opportunity to present rebuttal evidence and question each other and witnesses. Questioning must be directed through the Chairperson.
 - Members of the Board have the opportunity to question the Vice President, the student defendant and the witnesses.
 - The Board deliberates in private and decides, based on the preponderance of the evidence, on a verdict of "responsible" or "not responsible".
 - If the student defendant is found responsible for any or all Code violations, the Board issues a sanction(s).
 - The Board states in writing its findings and any sanction(s) imposed. This disposition is sent to the student by the Vice President, along with information regarding the process for appeal. (In Title IX cases, all parties will receive the written administrative disposition.)
- c. Legal rules of evidence do not apply to these hearings except that hearsay evidence is not acceptable. In hearing evidence, the Board shall be governed by reasonableness. Committee members may freely question witnesses.
- d. The student defendant is presumed not responsible unless the committee decides that he or she is responsible.
- e. The student defendant may not be compelled to testify.
- f. The Board shall determine responsibility based only on testimony given and evidence presented during the hearing. The Committee may consider the student's previous disciplinary record only in determining an appropriate penalty after finding that he or she is responsible of the alleged violation(s).
- g. A recording may be made of the hearing under the supervision of the Chairperson.
- h. A record of the hearing, maintained in the Office of Student Affairs, should contain:
- A copy of the notice required under part 15a.
 - The recording or typed digest of the hearing, together with all documents and other evi-

dence offered, as certified by the Chairperson.

- A copy of the Board's decision.
- i. A student defendant has seven (7) calendar dates from receipt of the outcome letter to appeal the disposition. (In Title IX cases, all parties have the right to appeal the disposition.) Appeals must be made in writing. Only appeals requested on the basis of one of the following reasons will be heard (compelling examples and reasons for the basis must be given at the time of appeal.):
- Procedures outlined in this Code of Student Conduct were not followed during the conduct process.
 - Evidence presented during the conduct process was not given reasonable consideration by the Board.
 - New evidence has become available in the case.
 - The sanctions received were excessive. (Reason for this basis must be given in the appeal letter.)

For disciplinary board hearings, appeals will be heard by the Provost. Both the student defendant and the Vice President may appeal the disposition of a disciplinary hearing board to the Provost.

Upon receipt of a written appeal and verification that the appeal was received in the appropriate time frame and meets the basis for appeal criteria, the notice of appeal and a summary of the case, prepared by the Vice President, will be given in writing to the Provost of the University within ten (10) calendar days of the receipt of appeal. The Vice President shall make available to the Provost the full record of the discipline hearing. The Provost shall determine within fifteen (15) calendar days from the receipt of the appeal to sustain or suspend the decision. The imposition of sanctions will be deferred during the pendency of the Provost's review, unless, in the discretion of the Provost the continued presence of the student on the campus poses a substantial threat to him/herself or to others, or to the stability and continuance of normal University functions.

16. Advisors

A student may be accompanied by an advisor, but the student must represent him/herself at the hearing. The Vice President or Board Chairperson will determine the role of the advisor at the time of the hearing.

In consideration of the limited role of an advisor, and of the compelling interest of the University to expeditiously conclude the matter, a hearing will not be delayed due to the unavailability of an advisor. Should an accused student elect to have an advisor present at the hearing, the name and credentials of the advisor must be presented to the Vice President at least 48 hours in advance of the hearing. If the accused student elects to have an attorney present as the advisor, the University

maintains the right to also have an attorney present and may postpone a hearing to a later date until such an individual can be in attendance.

17. Student Record Encumbrances

In pending cases involving alleged violations of the Code of Student Conduct, a temporary encumbrance may be placed on a student's records by the Vice President. This encumbrance will remain in effect until the case has been adjudicated and any sanction(s) imposed.

SECTION 2: RESIDENCE LIFE POLICY AND PROCEDURE

RESIDENCE LIFE POLICIES AND PROCEDURES

The following policies apply to any person who is on residential properties of the University of St. Thomas. We ask that residents communicate policies to their guests, as guests are expected to respect and adhere to all policies outlined below when visiting residential facilities. Residents will be held responsible for their own actions and that of invited guests. It will be assumed that all residents have read and understood these policies.

A. Roommates and Housemates

1. All roommates and housemates must complete a roommate contract and submit this contract to their RA within the first week of living together. Failure to do so may result in fines and/or other disciplinary action.
2. Roommate Conflicts – Whenever roommates/housemates are experiencing a conflict, the Residence Life Staff will do its utmost to assist them in resolving their problem. Except in extreme circumstances, the staff will first attempt to resolve the conflict by use of a roommate contract. If, after a two-week period, the residents have not resolved their conflict with the aid of the roommate contract, they may be permitted to change roommates/housemates. When roommates/housemates are unable to decide upon who will relocate, the staff will assist in making that determination. Generally, the person who is requesting the change in roommates will need to be the one to move. The requestor may not demand that his/her roommate be forced to move.
3. Room Changes – In order to provide ample opportunities for roommates to adjust to their new environments, room changes will not be considered until the third full week of classes. If a resident desires a new roommate, he/she must locate a new roommate. The resident's assigned Resident Assistant must approve all housing changes. Any resident making an unauthorized change will forfeit his/her security deposit and may be required to return to his/her original space. A resident who is making an authorized room change must properly check-out with his/her RA (see check-out policy for more details). The resident must then conduct a room inventory of the new room upon receipt of a new key. Failure to properly check-out/check-in may result in forfeiture of the security deposit and possible additional fines.
4. A resident who requests and is granted a room change or roommate change will be expected to relocate within 48 hours of the request being granted. As stated above, the requestor may not

demand that his/her roommate be forced to move.

5. Residents are expected to maintain a healthy and productive relationship with their roommate(s). The University may choose to sever its housing contract with the resident if the resident does not meet the minimum standards of a reasonable roommate, as determined by the Director of Residence Life. The University may take such action for one or more of the following reasons:
 - a. The resident is unwilling to maintain a clean, uncluttered living environment.
 - b. The resident verbally abuses his/her roommate(s) or is otherwise considered to be a possible threat to the physical and or emotional well-being of the roommate(s).
 - c. The resident creates a disruptive living environment.

2. End of Semester – **Residents are expected to vacate University housing within twenty-four hours of their last final examination.** Housing will normally close at 10:00 a.m. on the day after

the last day of finals and will open at noon, two days before classes begin. Closing dates and times will be advertised via newsletter and the web at the beginning of each semester.

3. Check-out – It is the responsibility of the resident to properly check-out of campus housing at the end of the contract period or whenever moving out of campus housing, or to another location within campus housing. Resident must complete the appropriate paperwork and surrender keys in order to finalize check-out. Failure to check-out properly, completely, and on time will result in fines assessed to the resident
4. Room Damages – Damages to rooms, apartment units, and/or room furnishings beyond the limits of reasonable wear and tear will be charged to the assigned resident(s). A room inventory will be provided for the resident’s protection against improper damage charges. Failure to submit a room-condition form 48 hours after checking into a room may result in the resident being charged for all existing room damages. Charges will be posted to the student’s University account.
5. A charge will be assessed against the account of any resident who misuses her/his key or who fails to surrender his/her room at check-out.
6. University Property – The cost of repairing or replacing damaged furniture, fixtures, room equipment, or any other University-owned property, will be charged to the resident(s) responsible. If the person(s) responsible cannot be identified, the cost of damage repair or replacement will be assessed as follows:
 - a. To roommates – damage to rooms.
 - b. To all residents of assigned facility – damage to public areas, floors and equipment.
7. Refund of Security Deposit – Non-returning residents must submit a written request for the return of the Security Deposit. This request must be submitted at check-out or within thirty days of contract cancellation or expiration. Failure to submit a written request as outlined will result in forfeiture of the deposit, which will then become legal property of the University of St. Thomas. Upon request, the Security Deposit refunds will be credited to the student’s account within 60 days of contract cancellation or expiration.

SECTION 3: ACADEMIC STANDARDS

General Academic Policies

- A. Course Registration - Enrollment in any course is subject to approval of the department offering the course in order to ensure that students are adequately prepared for the course level and content. Students should pay careful attention to published course prerequisites. Decisions of the department may be appealed to the Academic Committee.

Students should meet with their advisors appropriately and/or consult the Director of Academic Advising to verify that they are registering in accordance with their degree plans. However, students have the ultimate responsibility for all decisions regarding course registration.

- B. Explanation of Course Numbers - Courses are identified by subjects and four-digit numbers. The first digit indicates the level of a course. A "1" indicates first-year or entry level, while "3" and "4" indicate upper-division and typically presume prior completion of courses beginning with "1" or "2." The second digit indicates the number of credit hours earned for successful completion of the course. The final two digits indicate the departmental sequence. Thus, Chemistry 1341 is a first-year chemistry course carrying 3-credit hours, and Chemistry 1141 is a first-year course carrying 1-credit hour. These two courses are lecture and lab for first-year General Chemistry and together, total 4-credit hours.
- C. Credit Hours - The unit of measurement for academic work is the credit hour, representing fifty minutes of class lecture or contact time per week for one semester. Two (2) to four (4) laboratory clock hours are usually required for earning 1-credit hour in a laboratory course.
- D. Semester Load - The minimum load an undergraduate student must carry to be considered full-time is 12-credit hours in each regular (fall or spring) semester. There is no minimum load for summer sessions.

The maximum load for an undergraduate student is 19-credit hours in each regular semester and 12-credit hours (adjusted if a course carries a laboratory requirement) in the summer term, but no more than two courses in any summer session. A student with a cumulative institutional GPA of 3.00 or higher may request permission to take an overload of not more than 3-credit hours per semester. Permission must be recommended by the student's academic advisor and approved by the dean of the appropriate school.

- E. Adding, Dropping, Changing Courses - Students wishing enrollment changes, such as adds, drops, change of section, change of level (upper and lower division), or change of grading basis (graded, audit, and pass/fail) must follow the deadlines published in the academic calendar for the current semester. Adds, drops and change of section should be completed online using myStThom. All other changes require the appropriate form and must be completed in the Registrar's office no later than the deadline for 100% refund.

For fall and spring semesters, courses officially dropped through the 12th class day are not recorded on the transcript. From the 13th class day and ending with the last day of the 11th week of each semester, official drops are recorded as "W," a grade not computed in the GPA. Students should transact all drops before the withdrawal deadline by using myStThom.

- F. Audit Students - Auditors of courses at UST are classified as non-degree seeking students. Enrollment in a course as an audit student is on a noncredit basis, and a grade of "AUD" will be issued for the completed course. A record of the course audited appears on the transcript if the student course completes. Change in status between audit and credit is not permitted after the 100% refund dead-

line. An audit student who misses more than four weeks of classes, consecutively or not, will be reported to the Registrar, and no record of the course will appear on the student's transcript.

Courses are available for audit at the discretion of the instructor and on a space-available basis. Students may complete and submit an audit registration form at any time during the registration period, but space availability will not be determined until the Friday before the start of the term. The Registrar's Office will notify students by phone if they have been assigned an audit space. Spaces will be assigned on a first-come/first-serve basis.

Tuition for auditing a course must be paid by the last day of Late Registration for the term in which the course is being offered.

G. Classification - A student's classification is based on the total number of credit hours successfully completed: freshman, 0 through 29 hours; sophomore, 30 through 59 hours; junior, 60 through 89 hours; senior, 90 hours and above.

H. Grading and Point Equivalents

A = 4.000 grade points per credit hour

A- = 3.700 grade points per credit hour

B+ = 3.300 grade points per credit hour

B = 3.000 grade points per credit hour

B- = 2.700 grade points per credit hour

C+ = 2.300 grade points per credit hour

C = 2.000 grade points per credit hour

C- = 1.700 grade points per credit hour

D+ = 1.300 grade points per credit hour

D = 1.000 grade points per credit hour

F = 0.000 grade points per credit hour

P = Credit earned without affecting on the student's GPA. See the policy on Pass/Fail Option.

I = Incomplete. At the discretion of the faculty member, a grade of "I" may be assigned to a student who has successfully completed [i.e., with at least a passing grade] a majority of the work of the class and who has an unavoidable and compelling reason why the remainder of the work cannot be completed on schedule. Upon completion of the work within the next regular semester at the time prescribed by the faculty member (no later than the end of the following regular semester), the faculty member will award the student a letter grade, including the possibility of an "F." An "I" grade that is not replaced by a letter grade or an "IE" grade will automatically become a grade of "F."

IE = Incomplete Extended. At the discretion of the faculty member, a grade of "IE" may be assigned to a student for one semester if the situation warrants. The "IE" grade that is not replaced by the end of the semester for which it was issued will automatically become a grade of "F."

W = Withdrawal or drop from a course without jeopardy or effect on GPA, in the period beginning with the 13th day of classes and ending with the last day of the 11th week of a regular semester. The student must complete an official form from the Registrar's Office within the specified timelines. Failure to withdraw officially from any or all courses can result in a grade of "F."

AUD = Audit only; no credits earned.

NGS = No grade submitted. This is a temporary notation used when a faculty member has not submitted a grade by a prescribed deadline. The course grade is pending. The faculty member will report the actual course grade by means of the official Request for Grade Change Form. NGS has no effect on a student's term or cumulative GPA.

The description and interpretation of the letter grades is as follows:

- A, A- = Excellent (unusual and superior achievement)
- B+, B, B- = Good (above average, articulate achievement)
- C+, C = Satisfactory (average work)
- C-, D+, D = Passing (below standard)
- F = Failing

The GPA is calculated by adding the total number of grade points earned and then dividing by the total number of hours attempted at the University.

To achieve the minimum GPA required for a degree, the student must have obtained at least twice as many grade points as hours attempted at the University of

St. Thomas. Courses taken outside the University of St. Thomas are not calculated in determining grade point averages.

- I. Final Semester Grades - Semester grades and cumulative statistics are available at the end of each semester on myStThom. Faculty members are not authorized to post final grades or release them to students by any other means. Students should review their grades carefully. A course grade may not be changed after one year following completion of the course.
- J. Classroom Behavior - A faculty member has the right to require that students observe reasonable norms of conduct and good manners in class. Smoking, eating and drinking by students or faculty are not permitted in classrooms and laboratories. Any breach of discipline in the classroom and/or inappropriate classroom behavior will be reported to the Vice President for Student Affairs and the dean of the school, so that the behavior may be addressed through the conduct process.

Deficient Performance, Probation & Dismissal

- A. **Academic Warning Analyses** - The University is concerned when students perform at a deficient level. The Academic Warning Notice was developed to help students in academic difficulty. Faculty members at the University of St. Thomas can now provide interventions to these students through an online referral process known as Academic Warning Notices. Notices can be completed at any point of the semester, but can be especially relevant during the weeks close to midterm examinations. A faculty member completes an online form detailing reasons for the academic difficulty, such as performance or behavioral concerns or deficient skills, and recommends actions for improvement. Once submitted, Academic Warning Notices are emailed to the student, the student's academic advisor, and the referring faculty member for follow up. Academic Warning Notices do not become a part of students' permanent records but provide information and awareness so that they may address their difficulty and aid in our campus retention efforts.
- B. **Academic Probation** - Students who perform at a deficient level may be placed on academic probation or be dismissed from the University. Students are placed on probation to allow them to refocus their attention and activities to correct their deficiencies. If students do not correct their deficiencies, they may be dismissed from the University. Students who manifest severe deficiencies in their performance may be dismissed without having been on probation.

Undergraduate students must maintain a cumulative GPA of 2.000 or better in their course work at UST. Students who have completed nine UST semester credit hours and whose cumulative GPA falls below 2.000 will be placed on academic probation. Students who are on academic probation must earn a minimum 2.000 semester GPA on course work each subsequent semester until the grade-point deficiency is removed. Only course work taken at UST will be applied toward the grade point deficiency. Grade changes made for students on probation will not affect the academic standing for that semester. Students who leave the university on academic probation will be readmitted on academic probation. Academic probation will be posted to the semester in which the cumulative GPA falls below 2.000 and will begin with the first class meeting of the next semester. Academic probation will be noted permanently on students' academic records.

The Registrar will notify the student's academic advisor that the student is on probation. A probation hold will be placed on the student's myStThom account that will be released by the advisor. The advisor will meet with the student and develop a learning contract for the student to remediate the deficient academic performance. Students on academic probation may be required to carry a restricted course load and/or repeat courses as well as perform other activities prescribed by the advisor or dean to address deficiencies. Students unwilling to accept the conditions of their probation will be dismissed. The academic advisor will make recommendations to the appropriate dean or the Registrar concerning the student's compliance with the learning contract and the need for dismissal.

- C. **Dismissal** - Students who have manifested severe deficient performance may be dismissed from the University. Students who are on academic probation and earn less than a minimum 2.0 semester GPA will be dismissed from the University. During academic dismissal, students may not enroll, audit

or visit classes at the University. Academic dismissal will be noted permanently on students' academic records.

Students may also be dismissed if they are on probation and are unwilling to accept the conditions of their probation or do not conscientiously fulfill the conditions of their probation. On these matters the student's academic advisor will make recommendations to the dean or the Registrar.

Other reasons may justify dismissal, including academic dishonesty and violating certain norms of conduct expected of students, as outlined in the Code of Student Conduct.

A student who has been dismissed for academic reasons may apply for readmission to the University after one year. The University's Admissions Committee reviews readmission applications and sets the conditions for readmission. These may involve the student taking only prescribed courses or a limited load. In all cases the student will be readmitted on a conditional basis and on probation. The student's academic advisor will monitor the student's progress in meeting the conditions of readmission set by the Admissions Committee.

Academic Integrity

Every offense against academic honesty seriously undermines the teaching-learning process for which the University exists, and such offenses will be dealt with expeditiously according to the following criteria.

A. Definition

Academic dishonesty includes but is not limited to:

1. Cheating on an examination or test; for example, by copying from another's work or using unauthorized materials before or during the test, including the use of electronic devices;
2. Plagiarism, which represents as one's own the work of another, whether published or not, without acknowledging the precise source;
3. Participation in the academic dishonesty of another student, even though one's own work is not directly affected;
4. Any conduct which would be recognized as dishonest in an academic setting.

B. Procedures for Cases of Academic Dishonesty

Faculty and/or exam administrators who consider that they have a valid case of academic dishonesty against a student must ...

1. Inform the student of the charge and penalty in writing, using the Report of Academic Dishonesty Form, available from the Registrar. The faculty member will inform the student after the cheating has been discovered and investigated, no later than the date when course grades are due for the semester or academic session. If necessary, the faculty member will send the student a copy of the report by certified mail. The student has the right to appeal the facts of the charge, as outlined below in "Procedures With Appeal".

2. Determine the penalty for the dishonesty. The penalty is at the discretion of the faculty member, not the exam administrator, and can include either a mark of zero for the work in question or the grade of "F" for the course. The faculty member is encouraged to discuss this incident with the student and offer recommendations, as appropriate.

C. Procedure Without Appeal

1. The original signed Report of Academic Dishonesty Form will be submitted for the record to the Registrar, who will keep it in a locked confidential file until the student graduates.
2. The case will be treated as a matter of deferred adjudication; if and when the student graduates, the record will be expunged.

D. Procedure With Appeal

1. A student who wishes to appeal must write a letter of appeal to the Registrar within three days of signing the Report of Academic Dishonesty Form or receiving notice of the charge. The Registrar will notify the chair of the Academic Committee.
2. The chair will schedule a special meeting of the committee in a timely manner, but no later than 30 days after notification by the Registrar, and will notify the student, the faculty member, and/or the test administrator accordingly.
3. Copies of all pertinent written evidence will be submitted to the members of the committee a minimum of one week prior to the scheduled meeting.
4. The committee may rule on the appeal immediately or may first schedule a hearing. If the committee chooses to conduct a hearing, it will proceed as follows:
 - i) The student may bring a member of the faculty to serve as an advocate during the hearing.
 - ii) The student and the faculty member/test administrator may each bring witnesses to speak to the facts of the alleged offense. Ordinarily, the number of witnesses should not be more than two for each party; they must have direct knowledge of the alleged offense.
 - iii) The student, the faculty advocate (if one is brought) and the faculty member/test administrator will be present for all aspects of the hearing except the committee's deliberations.
5. The chair of the committee will conduct the hearing in the following manner:
 - i) The chair will ask the parties present to provide a more detailed statement of the circumstances and evidence than has already been filed in writing. Members of the committee may then ask questions for further information or clarification.
 - ii) Witnesses to support the allegation will be heard, one at a time. After a witness' initial presentation, questions may be put in the following order: by members of the committee, by the student and the faculty advocate, by the faculty member/test administrator and/or by members of the committee.
 - iii) Witnesses to support the appeal will be heard, one at a time. After a witness' initial presenta-

tion, questions may be put in the following order: by members of the committee, by the faculty member/test administrator, by the student and the student advisor, and by members of the committee.

iv) The faculty member/test administrator and then the student will each be given the opportunity to make a final statement to the committee regarding their respective positions in the matter, after which they will withdraw to allow the committee to deliberate.

v) Should the hearing be lengthy, the chair will have the option of postponing the committee's deliberations for not more than three working days.

6. The chair will report the committee's decision to the Vice President for Academic Affairs, who will notify in writing the faculty member/test administrator and the student.

7. The report of the decision will be handled in the same way as the report in Procedure When There Is No Appeal, described above.

D. Procedure in Second Offense Cases:

1. Initially, second offense cases will be treated according to the procedures outlined above.

2. When a second charge of academic dishonesty has been upheld against a student, the student shall be dismissed from the University. The transcript will note "Dismissed for Academic Dishonesty," along with the date.

3. Readmission to the University may be considered under extraordinary circumstances through a written appeal to the office of the Vice President of Academic Affairs.

Academic Grievance

Academic grievances involve matters such as the instructor's management of a class, instructor's failure to adhere to responsibilities specified in the UST Faculty and Administrator Handbook, or a grade received by a student.

Timing of Appeals – The student must initiate the grievance process no later than the first day of the next regular semester (fall/spring). All parties involved in an appeal (Steps Two through Five) will be notified in writing of a decision and any further appeals must be initiated within two weeks of that decision.

Step One – Ideally, academic grievances are to be settled between the instructor and the student, in person or in writing. Either party may invite a witness or mediator to attend any meetings in which the grievance is discussed.

Step Two – If either party is not satisfied with the decision, she/he may appeal in writing to the Department Chair (or Associate Dean if there is no department chair or if the faculty member in question is the Department Chair).

Step Three – If either party is not satisfied with the decision of the department chair, she/he may appeal in writing to the Dean of the School in which the course resides.

Step Four – If either party is still not satisfied, either may submit a written appeal to one of the following committees, as appropriate:

- a. Curriculum and Standards Committee-Graduate students in the Cameron School of Business
- b. School of Education Council-Graduate students in the School of Education
- c. School of Theology Council-Graduate students in the School of Theology
- d. Academic Committee-All other students (graduate and undergraduate)

Step Five – A final written appeal may be made to the VPAA.

Absences and Withdrawal from the University

- A. **Absence from Class** - The University expect all students to be regular and punctual in class attendance. Frequent, unexplained absences may result in a student being administratively withdrawn from the course or in a grade reduction or failing grade, at the discretion of the faculty member, in accordance with the faculty member's attendance policy included in the course syllabus.
- B. **Withdrawal from the University** - At any time a student may officially withdraw from the University by completing the appropriate form from the Registrar's Office, whereupon a "withdrawn from the University" will appear on his or her transcript for that semester. Financial aid recipients must also notify the Office of Scholarships and Financial Aid. Students receiving veterans' benefits must notify the Registrar.

As with dropping an individual course, failure of a student to withdraw officially can result in the awarding of "F" grades for all courses.

Students are strongly encouraged to consult with their academic advisors prior to any type of withdrawal. A student who has withdrawn from the University must contact the Admissions Office regarding readmission.

- C. **Medical Withdrawals** - Students wishing to secure a medical withdrawal must submit a hard-copy doctor's note on official letterhead indicating the diagnosis, length of time under the doctor's care, and the doctor's recommendation. The student must also submit a personal request to withdraw for medical reasons, either via an Add/Drop form or personal letter. All documentation must be submitted to the Registrar no later than the last day of classes for the applicable term.

Refunds will be considered on an individual basis for students who stopped attending classes *before* October 1, for the fall semester and March 1, for the spring semester. Because the summer term has multiple sessions with different start/end dates, refunds for classes taken in those sessions will be at the discretion of the Registrar. Medical withdrawals may be made after these deadlines with a resulting grade of "W," but no refunds will be granted.

The Office of Scholarships and Financial Aid will follow federal guidelines in determining refund procedures for all federal programs. Institutional and State Aid that was applied to any tuition charge

will be reviewed on a case by case basis and will be subject to reduction and/or cancellation prior to any tuition refund being issued.

Medical withdrawals must be given for all courses in which the student is enrolled. No partial withdrawal will be allowed. Students who have secured a medical withdrawal may not return to the University without their doctor's written approval.

- D. Withdrawal and Absence Procedures for Military, Veteran, and ROTC students - The following options have been made available for students who are called to active military service during the course of a semester.

Any student called to active military service before the end of 12th week of the semester should contact the University's Veteran Affairs office and his or her academic advisor:

- Students must provide a written request to withdraw and a copy of military orders prior to withdrawal.
- Students called to active military service may be granted full refundable tuition and fees and prorated refund of board and room charges. With this option, no course credit or grades will be awarded.

Any student called to active military service after the 12th week of the semester should contact the University's Veteran Affairs office and his or her academic advisor:

- The academic advisor will work with the student's instructors to gather grade information for the student and ensure the appropriate grades are filed for the student.
- If the student's instructor finds that the course work is substantially complete and the student has done passing work, the student should receive the grade earned at the time. If the critical competency has yet to be covered in a competency-based course, the instructor should award an "I" (Incomplete) and work with the student to develop a plan to complete that critical part of the course. The plan should be in writing and signed by both the instructor and the student. With this option, students will receive a prorated refund of board and room charges.
- Students who withdraw from the University due to active military service and take an "I" (Incomplete) for any class have one year after return from active military service to complete the required course work. The total time to complete the course requirements will not exceed five years from the call of service. With this option, students will receive a prorated refund of room and board charges.

Special Note: Students called to active military service are guaranteed readmission upon the completion of active military service provided the student has not attended another educational institution since attending the University of St. Thomas.

Policy on Class Absences Due to Military Service:

- No student will be penalized for missing classes (2 weeks or less) for military obligation provided

that written documentation is provided to each instructor one week prior to a scheduled absence. "Military obligation" is defined as military orders, ROTC duties, and Military Ready Reserve Activities.

- Instructors will work with students to schedule make up exams or other class assignments.

SECTION 4: FAMILY EDUCATIONAL RIGHTS & PRIVACY ACT – POLICY ON RELEASE OF STUDENT RECORDS

The Family Educational Rights and Privacy Act (FERPA) of 1974 is a federal law which gives students the right to inspect and review their education records and ask for amendments to those records. FERPA also gives each student some control over the disclosure of information from their education records.

Education records are defined as those documents that are directly related to a student and are maintained by an education agency, institution, or party acting for the agency or institution. Education records do not include sole possession records, law enforcement unit records, employment records, medical records, or post-attendance records. All currently enrolled and former students have the right to review their education records for content and accuracy. A student who wishes to obtain access to his or her education records should contact the Registrar.

Under FERPA, the University is free to release information about students categorized as directory information. Directory information includes such things as the student's full name; address; major field of study; participation in officially recognized activities and sports; height and weight of members of athletic teams; dates of attendance, including current classification and year, matriculation and withdrawal dates; degrees and awards received; most recent previous educational institution attended; full- or part-time status; and photograph. Students have the right to restrict disclosure of this information by completing and submitting a Request to Prevent Disclosure of Directory Information Form to the Registrar's Office. A non-disclosure request that is in effect when a student graduates or leaves the University remains in effect until rescinded by the student in writing.

The University may release a student's records to their parents (1) with the written consent of the student, (2) in compliance with a subpoena, or (3) upon receipt of evidence indicating the student was declared a dependent by their parent on their parent's most recent income tax return. Consent forms are available in the Registrar's Office.

SECTION 5: SOLOMON AMENDMENT

The University of St. Thomas is required under the provisions of the Solomon Amendment to provide directory information on students who are at least 17 years of age to representatives of the Department of Defense for military recruiting purposes upon request. That information includes: student name, addresses, telephone listings, date and place of birth, level of education, degrees received, prior military

experience and the most recent previous educational institutions enrolled in. If any of this information is not collected by the University of St. Thomas, the University is not required to collect it in order to provide it to military recruiters. The University of St. Thomas is not required to disclose the directory information of students who have requested nondisclosure of any or all directory information.

SECTION 6: ATTENDANCE POLICY FOR CO-CURRICULAR ACTIVITIES

This policy addresses student attendance issues when students must be absent from the campus because they officially represent the University in such sponsored activities as intercollegiate athletics, debate tournaments, Campus Ministry activities, and conference attendance.

Following Catholic tradition, the University of St. Thomas promotes the education of the whole person: spiritual, intellectual, moral, social, and physical. Coaches and advisors for co-curricular activities play their part in this education both by guiding students in their particular activity and by taking appropriate concern for the other dimensions of student development, including academics. UST's philosophy of education affirms that academic excellence need not be sacrificed for success in co-curricular activities. Indeed, sports and other co-curricular activities can help to instill many good traits in students, such as discipline, determination, and perseverance, which can be redirected to academic achievement. Coaches and advisors should pride themselves on devising strategies to help students under their care to make up for missed academic experiences and, even more, to excel academically. Students involved in co-curricular activities should not believe that they must resign themselves to lower grades as a consequence of their participation, but should set their sights high and use the skills and resources at their disposal to strive for excellence.

Policy and Procedures

1. Students should meet with their academic advisors prior to registering for classes to discuss their class schedule and participation in co-curricular activities.
2. Absence from class does not excuse students from any work missed during the absence.
3. Students must discuss with the instructor, as early as possible in the semester, the potential consequences of missing classes.
4. Students are responsible for submitting all assignments on time and arrangements must be initiated in advance by students for any assignments, quizzes, or exams that will be missed.
5. Coaches, instructors, advisors, and sponsors must provide the names of students who will miss classes using the university approved excused absence form. Forms must be completed and sent to the instructor teaching the class.
6. Coaches, instructors, advisors and sponsors must make every attempt to schedule traveling, games, matches and other University-sponsored activities at times that will have the least conflict with students' class schedules.

7. Students may not miss class due to preparation time for co-curricular activities, including practices.
8. Off campus participation in co-curricular activities is strongly discouraged during any final examination period and will require special approval of the Vice President for Student Affairs as well as the Vice President for Academic Affairs.
9. The intent of this policy is to prevent disputes between students and faculty members concerning student absences. If a dispute cannot be resolved between the student and the faculty member, the procedures of the Academic Grievance Policy should be followed.

SECTION 7: POLICY ON PROFESSIONAL ETHICS GOVERNING FACULTY/STUDENT CONSENSUAL ROMANTIC OR SEXUAL RELATIONSHIPS

The University of St. Thomas is committed to fostering a learning, working, and living environment that promotes the personal and professional growth of students and faculty and honors the dignity of every member of our community. Central to the life of the Academy are the professionalism and integrity of its faculty. It is the responsibility of the faculty to refrain from violating the dignity, trust and rights of those whom they serve. Truth and respect, indispensable to the well-being of the University, are violated when in romantic or sexual relationships with students; even if those relationships are consensual.

University of St. Thomas faculty, whether full or part-time, must not engage in consensual romantic and sexual relationships with students, since the faculty member is in a position of professional authority with respect to the student. It is understood that a faculty member has the primary obligation to discourage such a relationship and to discontinue the relationship if it should develop. A faculty member who violates this prohibition will be subject to disciplinary action ranging from verbal warning to suspension or termination of employment.

The Vice President for Academic Affairs, or his or her office designee, shall be responsible for investigating complaints of violation of this policy. Confidentiality will be maintained in any investigation to the extent consistent with the need to conduct a thorough investigation. Nothing in this policy shall be construed to affect any rights a faculty member otherwise possesses to challenge any disciplinary action which may be imposed for violation of this policy.

SECTION 8: STUDENT COMPLAINTS

The University of St. Thomas strives to provide a safe, humane, and responsive learning environment for students. When conflicts arise, students are encouraged to resolve the complaint informally. In the case that an issue cannot be resolved informally, the individual has a right to initiate a formal complaint through the Office of the Dean of Students. Student complaints may include, but are not limited to, issues regarding classroom instruction, campus services and offices, as well issues with other students.

Students are encouraged to resolve all complaints informally, first by meeting with the person directly involved with the complaint. If the complaint cannot be resolved, students are encouraged to submit a formal complaint.

NOTE: If the complaint is one regarding academics, see the Academic Grievance Policy for procedures.

Formal complaints must be made in writing, submitted on the official complaint form, found at www.stthom.edu/dos. No anonymous complaints will be accepted.

Upon receipt of the formal written complaint, the Dean of Students or designee will review the complaint, assess validity, and forward to the appropriate department for further review and resolution.

- A. All academic / classroom complaints will be forwarded to the chair/dean of the academic department and the Provost / Vice President for Academic Affairs.
- B. All complaints about a staff / faculty actions / behavior will be forwarded to their immediate supervisor and department chair/dean, and human resources (for record keeping purposes).
- C. All complaints about general campus services, other students' actions/behaviors, code of conduct violations will remain in the office of Student Affairs.
- D. All other complaints will remain in the office of Student Affairs.

The dean and/or next level supervisor will schedule a time to meet with the complainant to discuss and resolve the complaint. At this time, the complainant should bring all supporting documentation.

If the complainant does not agree with the resolution of the complaint, he/she may appeal the dean's or next level supervisor's decision to the vice president overseeing the department involved in the complaint. The student's written appeal, including all supporting documentation, will then be forwarded to the department's vice president, who may request an appointment with the complainant to discuss the appeal or may choose to make a decision based upon a review of the written documentation.

The vice president will make a decision concerning the complaint and notify the complainant of the decision in writing. The decision of the vice president is final.

After exhausting the University's complaint process, current, former, and prospective students may initiate a complaint with Texas Higher Education Coordinating Board. More information about how to file a complaint with THECB can be found at www.thecb.state.tx.us. Complaints will be accepted by sending the required forms (found on the THECB website) either by electronic mail to StudentComplaints@thecb.state.tx.us or by mail to: Texas Higher Education Coordinating Board, College Readiness and Success Division, P.O. SECTION 9: COUNSELING AND DISABILITY SERVICES

Counseling and Disability Services (CDS) provides various services for students related to personal and emotional adjustment, mental health, developmental issues, academic skill-building and crisis intervention. Confidential services are provided at no cost for currently enrolled University students, are generally short-term, and follow a brief intervention model. Counselors will assess the nature and extent of a student's concern and make appropriate recommendations. Services offered include initial assessment,

consultation, individual and group counseling, crisis intervention, academic support, campus outreach, and referral information. More information is available at www.stthom.edu/counseling. For an appointment or additional information, contact CDS at 713-525-2169 or 713-525-6953.

Disability Services for Students

Counseling and Disability Services also provides academic accommodations for students with disabilities. The University abides by the Americans with Disabilities Act of 1990 (ADA) and the ADA Amendments Act of 2008, Section 504 of the Rehabilitation Act of 1973 and other legal mandates that stipulate qualified students with disabilities receive accommodations to provide equal access to programs and opportunities at the University. If a student has a documented disability, reasonable and appropriate academic accommodations for students who qualify under the law are available. Disabilities may be defined by the following:

- learning disabilities
- physical limitations
- health impairments
- psychiatric disabilities

Students should set an appointment with professional staff at CDS to review the nature and history of the disability as well as present concerns related to the educational environment. For information regarding the procedures required to obtain academic accommodations at UST, please refer to the UST Undergraduate Catalog or visit our website at www.stthom.edu/counseling. For an appointment or additional information, contact CDS at 713-525-2169 or 713-525-6953.

Discrimination Grievance Procedures

The University of St. Thomas has adopted an internal grievance procedure providing for the prompt and

equitable resolution of complaints alleging any action prohibited by Section 504 of the Rehabilitation Act of 1973, as amended. Information will be kept confidential to the extent possible. The Section 504 Coordinators will maintain all records related to filed complaints, written findings, and resolutions. The Executive Director of Counseling and Disability Services will maintain records for students; the Associate Vice President for Human Resources will maintain records for employees. Federal law strictly prohibits any retaliation against a person who exercises the right to file a complaint of discrimination. Retaliation is prohibited whether or not the complainant prevails with the complaint. Charges of retaliation shall be treated as separate and distinct from the original complaint of discrimination and may be filed utilizing this grievance procedure.

1. Complaints

- a. Disability Discrimination of Students.** Complaints by students involving disability discrimination should be filed with the Section 504 Coordinator. The Section 504 Coordinator for students is the Executive Director of Counseling and Disability Services.

Location: Counseling and Disability Services, Crooker Center

Telephone: (713) 525-3162

- b. Disability Discrimination of Employees.** All disability discrimination complaints by employees should be filed with the Associate Vice President for Human Resources.

Location: Human Resources

Telephone: (713) 525-3813

- c. Discrimination Grievance Officers.** The persons designated above to receive complaints under these procedures shall be referred to as Discrimination Grievance Officers. If the designated Grievance Officer is the accused party, the complaint may be filed with the other Grievance Officer or the Vice President for Student Affairs (for students) or the Vice President of Finance (for employees).

- d. Complaints by Mail.** Complaints may also be mailed to the appropriate Discrimination Grievance Officer at the following address:

University of St. Thomas

3800 Montrose Boulevard

Houston, TX 77006

The complaint and its envelope should be marked "Confidential."

2. Procedure

- a. Contents of Complaint.** Complaints must be filed in writing with the Discrimination Grievance Officer and must contain:

1) Name and address of the person making the complaint ("Complainant").

- 2) A brief description of the alleged discriminatory action or actions.
- 3) The date or dates of the alleged discriminatory actions.
- 4) The person or persons alleged to have engaged in the discriminatory action or actions.

b. Deadline for Filing the Complaint. The complaint must be filed with the appropriate Discrimination Grievance Officer within 30 days after the Complainant becomes aware of the alleged discrimination. (Processing of allegations of discrimination that occurred before this grievance procedure was in place will be considered on a case-by-case basis, or under other appropriate grievance procedures.)

c. Informal Resolution. The Grievance Officer will notify the appropriate Vice President of the complaint, if deemed necessary. If the accusing individual is a student, the Executive Director of Counseling and Disability Services will address the complaint. If the accusing individual is an employee, then the Associate Vice President for Human Resources will address the complaint.

The Grievance Officer shall determine whether the matter may be promptly resolved informally (for example, when the complaint arises from miscommunication between the parties, or when the accused party admits wrongdoing and agrees to take appropriate corrective action). Informal resolution will be attempted as soon as possible and need not wait for the written response of the accused party, unless deemed appropriate by the Grievance Officer. If the Associate Vice President for Human Resources is the accused party, the Complainant will contact the Vice President of Finance instead of the Associate Vice President for Administrative Services. If the Executive Director of Counseling and Disability Services is the accused party, the Complainant will contact the Vice President for Student Affairs instead of the Executive Director of Counseling and Disability Services. If the area Vice President is the accused party, the Grievance Officer will contact the President instead of the Vice President.

d. Response. The accused party will be provided a copy of the complaint and will provide the Grievance Officer a written response within five business days after receiving a copy of the complaint. The Grievance Officer may waive the requirement for a written response if the matter has been informally resolved.

e. Investigation. If it appears that the matter cannot be informally resolved, the Grievance Officer will proceed with the investigation. The investigation may be informal, but shall be impartial and as thorough as appropriate under the circumstances. The Complainant and the accused party shall be given an opportunity to submit evidence relevant to the filed complaint. The Grievance Officer may also interview persons who the officer believes may have knowledge bearing on the matter and may require the Complainant or accused party to provide additional documentation, information or evidence that the officer deems appropriate.

f. Determination and Resolution. The Grievance Officer will prepare written recommended findings as to the validity of the complaint and will, after consultation with the area Vice President, recommend resolution of the complaint, if any (“Recommendation”). The Recommendation will then

be given to the area Vice President, who will make the final decision and communicate the decision to the Complainant and the accused party (“Determination”).

- g. Reconsideration.** Either party may appeal the Determination by filing a notice of appeal (“Notice”) with the President of the University. The Notice must be filed within five business days after receipt of the Determination, and must include a copy of the Determination and a description of the issues being appealed. Copies of the Notice shall be provided by the appealing party to the Grievance Officer and the appropriate area Vice President. The Grievance Officer will provide a copy of the Notice to the other party. The other party may file a rebuttal statement to the appeal within five business days after receipt of the Notice. The President (or designee) shall review the matter and take any appropriate action, including, but not limited to affirming, modifying or reversing the Determination or requiring that additional investigation be performed. The President shall provide a written decision to both parties, the appropriate area Vice President and the Grievance Officer.

SECTION 10: SUICIDAL BEHAVIOR POLICY

For purposes of this policy, “suicidal behavior” shall include an actual attempt to commit suicide or any other act or behavior which could result in death or serious bodily harm to the individual. This may include any verbal or written statement expressing an intention to commit suicide or to self-inflict serious bodily harm. The University of St. Thomas recognizes that suicidal behavior is not only self-destructive to the individual, but may also adversely affect and disrupt the lives of others within the University community. Accordingly, the University of St. Thomas has established the following policy:

1. All suicidal behavior will be taken seriously.
2. If suicidal behavior is brought to the attention of a mental health professional at Counseling and Disability Services, these individuals are bound by professional ethics to keep this information confidential. An exception exists if the student is believed to be in probable imminent danger of harming him or herself. In such cases, the professional may break confidentiality in order to protect the student or others from harm. Whenever possible, the mental health professional at Counseling and Disability Services would work with the student to get the help necessary for stabilization.
3. If the initial notification of suicidal behavior is made to a UST Police or Community Service Officer, that officer shall immediately attempt to contact a mental health professional at the Counseling and Disability Services office. The officer shall then notify the Vice President for Student Affairs and/or the Dean of Students. If physical self-harm is imminent, the Officer shall immediately call 911.
4. If a student causes behavioral disturbances, refuses professional help, or behaves in such a way that his or her safety is in question and the student’s suicidal behavior is brought to the attention of the Vice President for Student Affairs and/or the Dean of Students by a member of the University community, the notified administrator will decide the course of action that serves the best interests of the individual involved and the University community.

Other needed actions will be determined by the Vice President of Student Affairs and/or the Dean of Students. To view the Suicidal Behavior Policy in its entirety, visit the UST policy portal. Persons having questions regarding this policy should contact the Office of Student Affairs at 713-525-3570.

In coordination with the Drug Free Workplace Act of 1988 and the Drug Free School and Communities Act of 1989, the University of St. Thomas believes that the unlawful use of drugs and the excessive use of alcohol are inconsistent with the behavior expected of the members of a university community. The unlawful use and abuse of drugs or alcohol is inconsistent with the behavior expected of members of the University of St. Thomas community. The University is committed to the development and maintenance of a drug free environment on the campus as well as an environment that prohibits abuse of other drugs and alcohol. The University is committed to the expansion of a drug and alcohol abuse prevention program and to the dissemination of drug awareness information to the members of the entire University community. In addition, the University is committed to enforcing the provisions of the Drug Free Workplace Act of 1988 and the Drug Free School and Communities Act of 1989 and believes that these acts and their implementation regulations provide a proper framework for the drug and alcohol abuse policies of the University. Additionally, the impact of drug use and high risk alcohol consumption for college students cannot be overlooked in terms of its cost to the individual students affected and the University. For specific information related to alcohol and other drug consumption and consequences, go to the National Institute on Drug Abuse: <http://www.drugabuse.gov/>.

Health Risks

Outlined below is a listing of drugs of abuse and their health risks taken from the U.S. Drug Enforcement Administration website. A more complete and detailed accounting may be found at their website at <http://www.dea.gov/druginfo/factsheets.shtml>. With any drug, prolonged use can lead to health issues as well as long-term dependency.

Alcohol

Alcohol (beer, wine, or liquor) has a high potential for physical and psychological dependence as well as resulting in increased tolerance. Possible effects include impaired memory, slurred speech, drunken behavior, slow onset, vitamin deficiency, and organ damage. Overdose may result in vomiting, respiratory depression, loss of consciousness, and possible death. Withdrawal may include trembling, anxiety, insomnia, vitamin deficiency, confusion, hallucinations, and convulsions.

Females who drink alcohol during pregnancy may give birth to infants with Fetal Alcohol Syndrome. These infants have irreversible physical abnormalities and mental retardation. In addition, research indicates that children of alcoholic parents are at greater risk than other youngsters of becoming alcoholics. Alcohol use is often related to acquaintance rape and failure to protect oneself from sexually transmitted diseases (STDs).

Additionally, alcohol-related accidents are the number one cause of death in the 16- to 24-year-old age group.

Narcotics

Narcotics (including heroin, morphine, hydrocodone, oxycodone, codeine, and others) have a high potential for both physical and psychological dependence as well as resulting in increased tolerance. The possible effects of using narcotics include euphoria, drowsiness, respiratory depression, constricted pupils, and nausea. Overdose may result in shallow breathing, clammy skin, convulsions, coma, and death. Withdrawal may include irritability, tremors, panic, nausea, chills, and sweating.

Other Depressants

Other depressants (including GHB or liquid ecstasy, valium, xanax, ambien, and barbituates) have a potential for both physical and psychological dependence as well as resulting in increased tolerance. The possible side effects include slurred speech, disorientation, appearance of intoxication, and impaired memory. Overdose may result in shallow respiration, clammy skin, dilated pupils, weak and rapid pulse, coma and possible death. Withdrawal may include anxiety, insomnia, tremors, delirium, convulsions, and possible death.

Stimulants

Stimulants (including cocaine, methamphetamine, and methylphenidate) have a possible risk of physical dependence and high risk for psychological dependence. Tolerance can develop in all stimulants. The possible side effects include increased alertness, excitation, euphoria, increased pulse rate and blood pressure, insomnia, and decreased appetite. Overdose may result in agitation, increased body

temperature, hallucinations, convulsions, and possible death. Withdrawal may result in apathy, long periods of sleep, irritability, depression, and disorientation.

Hallucinogens

Hallucinogens (including MDMA, LSD, Phencyclidine, and others) are less likely to result in physical dependence, with the exception of phencyclidines and analogs, and vary in terms of psychological dependence, ranging from none to moderate (MDMA) to high (phencyclidine and analogs). Tolerance can develop. Possible effects include heightened senses, teeth grinding, and dehydration (MDMA and analogs) and hallucinations, altered perception of time and distance in other types of hallucinogens. Overdose may result in increased body temperature and cardiac arrest for MDMA and more intense episodes for LSD. Some hallucinogens may result in muscle aches and depression when in withdrawal (MDMA) or may result in drug seeking behavior.

Cannabis

Cannabis includes marijuana, tetrahydrocannabinol (THC), and hashish or hashish oil. All may result in moderate psychological dependence with THC resulting in physical dependence. Tolerance can develop in all forms. Possible effects include euphoria, relaxed inhibitions, increased appetite, and disorientation. Overdose may result in fatigue, paranoia, and possible psychosis. Withdrawal may occasionally result in insomnia, hyperactivity, and decreased appetite.

Anabolic Steroids

Anabolic Steroids (including testosterone and others) may result in psychological dependence. Less is known as to their potential for physical dependence and increased tolerance levels. Possible effects may include virilization, edema, testicular atrophy, gynecomastia, acne, and aggressive behavior. Effects of overdose are unknown. Withdrawal may possibly include depression.

Inhalants

Inhalants (including amyl and butyl nitrite, nitrous oxide, and others) vary in their level of psychological dependence, with less known about their potential for physical dependence and tolerance. Possible effects may include flushing, hypotension, and headache, impaired memory, slurred speech, drunken behavior, slow onset, vitamin deficiency, and organ damage. Overdose may result in methemoglobinemia, vomiting, respiratory depression, loss of consciousness, and possible death. Withdrawal may result in agitation, trembling, anxiety, insomnia, vitamin deficiency, confusion, hallucinations, and convulsions.

The policy to promote a Drug and Alcohol Abuse Free Workplace and Campus is a protection and support for the faculty, administration, employees and students of the University of St. Thomas. In addition, the University is committed to a caring relationship among its students and employees; therefore, its disciplinary procedures are intended to be constructive and redemptive. Any employee or student seeking assistance through the Office of Student Affairs or the Human Resources Department, in consulta-

tion with Counseling & Disability Services, will be treated in a confidential manner. This does not shield either the employee or student from disciplinary action if this policy is violated. Therefore, the employee or student violating this policy is subject to the following actions:

Such assistance will be kept confidential and will not influence performance appraisals or grades. Job or academic performance alone, not the fact that an employee or student seeks help, is the basis of all performance appraisals/evaluations.

The general policies of the University concerning the consumption, serving or sale of alcohol are:

1. The University will not fund, directly or indirectly, the purchase of alcoholic beverages for off campus events, other than for official events sponsored by the Office of Institutional Advancement and/or Office of the President.
2. If alcohol is to be served at an event on campus, the sponsoring student organization or administrative department/organization must identify a faculty, staff, or administrative sponsor for the event.

In addition, student organizations sponsoring an event must identify a student representative who serves as the primary student contact for the event and identify him/her on the alcohol permit.

3. In addition to the named sponsor, the event must have as many security personnel from a UST approved security organization as are deemed necessary by the VPSA or designee present for the entire event. The sponsoring organization will pay for the security personnel. Organizations may not provide their own security. (For faculty and staff events only, with fewer than 50 attendees, where no students are present, no security personnel will be required.)
4. An alcohol use form must be completed for all events in which alcohol will be served. The alcohol use form is available in the University Police Department.
5. TABC-certified servers must be used and can only be contracted through the Office of Student Activities or Dining Services. (For faculty and staff events only, with fewer than 50 attendees, where no students are present, no TABC server will be required.)
6. Advertising for the event must adhere to the following guidelines:
 - a. The main purpose of the event shall not be the consumption of alcohol.
 - b. Posters or flyers shall not mention the presence of alcoholic beverages to be served, nor shall free alcoholic beverages be the subject of any advertising.
 - c. Alcoholic beverage consumption contests are strictly forbidden.
 - d. Encouragement or reinforcement of irresponsible drinking behavior shall be avoided in any advertising, and during the event.
7. A drink limit will be determined by the VPSA or designee for each event which students will be present, based on the duration of the event. The standard drink limit will be up to one drink per hour, not to exceed three drinks per person. The University is not responsible for the actions of persons violating the policies and restriction set forth by this policy and the alcohol use form.
8. Alcohol products are limited to beer (kegs only for student events) and wine only. Dispensation and consumption of hard liquor are strictly prohibited, except for specific events sponsored by the Office of Institutional Advancement and/or the Office of the President. Only those alcoholic beverages designated and purchased for the event prior to the event may be served and consumed during the course of the event. Additional alcoholic beverages may not be purchased, served, or consumed during the event. "Beer runs" are strictly prohibited and are grounds for closing the event.
9. The named sponsor is responsible for ensuring that every attendee at the event shows proof of legal drinking age (21 or older) prior to being served any alcoholic beverage. The only acceptable forms of identification are driver licenses, state issued identification cards or a passport issued by a governmental entity. Consumption of alcoholic beverages by any person under the legal drinking age will result in disciplinary action against that person as well as against the person(s) who provided the alcoholic beverage.

10. All events providing alcohol must have set start and end times. The named sponsor and student contact must remain present at the event for the entirety of the event.
11. Alcohol may not be served before 4:00 PM, Monday through Friday, and not before 12:00 noon, Saturday or Sunday, except for specific events sponsored by the Office of Institutional Advancement and/or Office of the President. Last call for alcohol will be one hour prior to advertised ending time.
12. The named sponsor and student contact are also responsible for making sure that the rights and privileges of the attendees are respected and that all other University policies are upheld.
13. Non-alcoholic beverages other than water must be available for those who choose not to drink alcoholic beverages and must be free of charge if the alcohol is free. Additionally, a sufficient quantity of food/snacks to feed the number of people in attendance must be available.
14. Charging for the alcohol served at the event in any manner, including a cover charge for the event or through donation, must be approved by the VPSA, and a Temporary Wine and Beer Retailer's Permit must be obtained from the TABC by the event sponsors at their sole expense and effort, unless sponsored by the Office of Institutional Advancement and/or Office of the President.
15. Event sponsors may be liable for loss, damage or theft of institutional, contractor or personal property occurring as a result of the event. If it appears that individual students or student groups may have violated the student code of conduct, they will be referred to the VPSA for disciplinary actions under the code of conduct.
16. Violation of any provision of University policy will result in a review of the event. Penalties may include possible revocation of event privileges for the sponsoring organization and individuals for a period of 6 months to 2 years.
17. Additional limitations or regulations may be imposed at the discretion of the VPSA or designee.

SECTION 14: DISCLOSURE OF CAMPUS SECURITY AND CAMPUS CRIME STATISTICS & RELATED POLICIES

In compliance with the Federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (20 U.S.C. 1092 (f)) the University of St. Thomas publishes specified information on campus crime statistics and campus policies.

POLICY / PROCEDURE

The information summarized in this document is available in the University Police Department (UPD) in the Moran Center. This information is also available on the UST UPD website, http://www.stthom.edu/Campus_Student_Life/University_Police_Department.

- A. Procedures and facilities for reporting criminal actions or other emergencies occurring on campus

and the University response to such reports.

1. Individuals wishing to report criminal activity, or other emergencies on the UST campus may avail themselves of the following methods of reporting:
 - a. Calling UPD at (713) 525-3888, twenty-four hours a day (ext. 3888 from campus phones).
 - b. Calling UPD from one of the emergency call boxes.
 - c. Calling 911 from any internal telephone or 911 from any external telephone for direct access to the local emergency services.
 2. University Police will take reports of alleged criminal activity and an officer will either come to the scene immediately, or the case will be referred for investigation, depending upon the nature and seriousness of the alleged offense. All criminal incidents are investigated by UPD, and if deemed necessary, by the appropriate outside law enforcement agency. University Police responses include, but are not limited to:
 - a. Immediate response to the scene of the criminal activity by one or more University Police personnel.
 - b. Investigations of alleged reports in accordance with University of St. Thomas Police Department's procedures.
 - c. Issuance of a timely warning to the campus community, if on-going concern for safety exists.
 - d. Detaining suspects and filing the appropriate charges against them, dependent upon the circumstances of the offense.
 - e. Inclusion of criminal activity in the daily crime log, available at UPD and online on the UPD webpage.
 - f. Referring alleged offenders to appropriate campus officials, such as the Vice President for Student Affairs, for action.
- B. Security and access to campus facilities including campus residences, and security considerations used in the maintenance of campus facilities.
1. The campus and properties of the University are maintained for the use of students, faculty, staff and authorized visitors. As a private university, access to campus facilities may be restricted as necessary to comply with UST rules and regulations and to meet the safety and security standards set forth by University officials.
 2. The University has instituted safety and security procedures and services, but each individual who enters the campus must assume the responsibility for his or her own personal safety. The University will continue to promulgate new safety security procedures, but no measure can succeed without the support of the faculty, staff, students, and visitors of the University community.
 3. On campus housing provides a range of services and security procedures to ensure a reasonable

comfort for residents and their invited guests. Residents are provided information concerning these programs and services, but are advised that each person's safety and security is his or her own responsibility. Trained residential staff, who are assisted in their efforts to maintain a secure environment in on-campus housing by UPD and the UST Facilities Operations, are on duty around the clock.

Services provided in an effort to maintain a safe environment include attention to lighting issues (including emergency lighting during power outages), locking of the main entrance to on campus housing on a regular schedule and the Security Escort Program.

- C. Authority of University Police personnel, relationships with other law enforcement agencies, and programs that encourage the prompt and accurate reporting of all crimes to campus police and local law enforcement agencies.
 - 1. The University employs sworn police officers and non-sworn community service officers.
 - 2. The University Police Department maintains a cooperative relationship with all other Federal, State, and Local law enforcement agencies.
 - 3. The University Chief of Police provides information to all incoming students at orientation on a semi-annual basis, making them aware of how to contact UPD and of the importance of reporting criminal activity. Additionally, UPD personnel also give verbal crime prevention tips to students on an informal basis, encouraging them to approach police officers with information about crime on campus.
- D. Programs designed to inform students and employees about campus security procedures and to encourage students and employees to be responsible for their own safety and the safety of others.
- E. Programs designed to inform students and employees about the prevention of crime. There are numerous programs that are available at the request of the various groups or individuals on campus including Sexual Assault Protocol, Drug Awareness, and Theft Prevention. A variety of literature is also available to any student upon request, as well as one-on-one discussions.
- F. Policy concerning the monitoring of local police reports at off campus student organization owned property including residential facilities owned by recognized student groups. The University of St. Thomas does not have any recognized student groups that maintain off campus properties.
- G. Statement(s) concerning possession, use and/or sale of alcoholic beverages and enforcement of State underage drinking laws and statement(s) regarding the possession, use, and sale of illegal drugs and enforcement of Federal and State drug laws. Description of drug/alcohol abuse programs as required under Section 1145g.

Alcohol (beer and wine only, no hard liquor) is permitted on campus for people of legal drinking age, with the prior approval of the Vice President for Student Affairs. All laws of the State of Texas in regard to the underage consumption, sale, or possession of alcohol by underage persons are in effect on the University of St. Thomas campus. Illegal drugs, narcotics, or hallucinogens are not permitted

on the campus of the University of St. Thomas. Offenders will be dealt with accordingly, pursuant to State and Federal narcotics laws.

The Offices of Counseling & Disability Services, Residence Life, and Health Promotion & Wellness have programs in place to deal with issues relating to drug and alcohol abuse.

- H. Campus crime statistics are provided annually to the Department of Education by UPD, and reported to the campus community in the Annual Security and Fire Safety Report (ASFSR), which is issued on or before October 1, each year and available on the UPD website. The email notification of the ASFSR to all campus community members on or before October 1st provides a link to the report, as well as how to secure a printed copy of the report.

- g. Students are prohibited to obtain parking permits for use by visitors (persons other than students, staff or faculty).

5. Lost/Stolen Hangtag

A lost/stolen hangtag should be reported immediately to the University Police Department. A replacement fee will be charged for a lost hangtag.

6. Parking Garage Exit Fee

There is a \$5 per exit fee per vehicle for the parking garage for those who do not pay the semester parking fee. Any member of the UST community or any visitor to the University may pay the daily exit fee. Use of a proximity/ID card to allow others to exit the parking garage without paying is prohibited and considered theft of service, and may result in a fine of \$50 and/or suspension or revocation of parking privileges.

7. Special Events

Any department or individual scheduling an event that will attract visitors to the University should contact the UPD one week prior to the event to make appropriate arrangements for parking.

8. Parking Regulations

In addition to the University regulations, all Texas Criminal and Motor Vehicle regulations are in effect on University property 24 hours a day. Strict adherence to all regulations is required to protect pedestrians and vehicles. Police Department personnel have the jurisdiction to remove or impound any vehicle operated or parked illegally in violation of these regulations on University property. The owner of the vehicle will be required to pay the cost of moving and storing the vehicle. Police Department personnel have discretionary powers to enforce a policy of traffic control on the campus even if not specifically covered by these regulations.

- a. All employees and students are expected to be familiar with and abide by these regulations. The responsibility for knowing all current laws and regulations rests with the motor vehicle operator.
- b. These regulations apply to all vehicles operated on the campus of the University of St. Thomas. The term "campus" means all property at the University of St. Thomas under the jurisdiction of the Police Department. The term "vehicle" includes automobile, trucks, motorcycles, motorbikes, scooters and mopeds. "Visitors" are persons other than UST students, staff, and faculty.

University policy requires that students have their student ID cards with them at all times while on campus. Drivers approaching the exit gates in the Moran Parking Center without an ID card will have to pay the exit fee regardless of whether or not semester parking was purchased.

- c. Each owner is expected to take the necessary steps to safeguard his/her property. The University is not liable for auto thefts, damages, or burglaries.
- d. Students are not allowed to park in designated faculty/staff parking lots Monday – Friday from 8:00 am-5:30 pm when school is in session.
- e. Vehicles with Handicap parking permits may park in any Handicap designated space in any lot at any time.

9. Operation of a Motor Vehicle

- a. The maximum permissible speed on all campus parking lots is 15 miles per hour.
- b. Pedestrians have the legal right-of-way at all crosswalks.
- c. A motor vehicle operator shall not back his/her vehicle into or through any intersection.
- d. A vehicle shall not be operated / parked on any sidewalk, the mall, or lawn areas. Exception: University owned vehicles, emergency vehicles, or contractors performing assigned duties.
- e. Driving over or around the orange cones being used to reserve on street parking is prohibited.

10. Parking of a Motor Vehicle

- a. No vehicles are allowed in any space or area designated for visitors or loading zone. Vehicles may be booted on the first offense.
- b. Motor vehicles without proper identification parked in areas designated for handicap or fire zone may be towed on the first offense.
- c. Vehicles shall be parked so that the entire vehicle is within the limits of the marked parking space.
- d. Drivers shall not park their vehicles in any place that may obstruct the normal flow of traffic.
- e. No trailer shall be parked in campus parking lots.
- f. The parking on the campus of “junked vehicles” or vehicles displayed for resale or trade is prohibited. “Junked vehicles” may be towed. “Junked vehicles” are defined as those vehicles which are abandoned or unattended for a period of thirty (30) days or more, as evidenced by dust and debris accumulation on the surface of the vehicle. Reasonable effort will be made to identify and contact the registered owner of the vehicle. Failure of those reasonable efforts will result in the vehicle being towed and stored at the owner’s expense.

11. Parking Violations

It is a violation of these regulations to park in the following places at any time. A vehicle so parked

may be subject to removal at the owner's expense, and the owner may also be charged a fee for the violation. All violation charges below increase by \$10 after the third citation for the same violation in a fiscal year.

12. Failure to Comply with Regulations

When, in the judgment of the Vice President for Student Affairs (VPSA), a student fails to comply with traffic and parking regulations, the VPSA may file conduct and disciplinary charges against the student. The Police Department reserves the right to use automobile immobilization devices, commonly known as "boots," to enforce parking regulations in problem areas. The boot, once placed, will be removed only upon the payment by the violator of a \$50 fee. The officer removing the boot will direct violators to the Business Office to pay fees. Only after normal business hours will officers

accept this fee in cash or in a check made payable to “University of St. Thomas,” and a receipt will be issued.

If the boot is not removed on the same day it is installed, an additional \$50 fee will accrue each day the boot remains in place. This fee will continue to accrue for three (3) days, at which time the Chief of Police will undertake such measures as are necessary to remove the vehicle from University property and recover the boot fees. A reasonable attempt to contact the registered owner of the vehicle will be made.

Any attempt to remove a boot by the owner of the immobilized vehicle will result in additional fees. Removal or attempted removal of the boot where no damage occurs will be construed as Theft of Service. Removal of the boot where it is damaged will be construed as Criminal Mischief. If the boot is taken from the campus by the violator, it will be considered Theft of University Property. In all cases, the Police Department will file charges.

13. Bicycle Regulations

The University recognizes the beneficial effects of bicycle use to the health and well-being of the individual cyclist, as well as to the environment. In order to provide for the safety of the community at large, the following regulations have been adopted:

- a. Bicycles must be parked only at bicycle racks.
- b. Bicycles are not allowed in buildings, with the exception of Guinan Hall (see Residence Life Policy and Procedure for more information).
- c. Bicycles may not block pedestrian traffic nor be chained to stairwells or arcade columns. Violators may have their bicycle booted (\$10 removal fee) or removed by the Police Department. Damaged locks will not be the responsibility of the University.
- d. Riding a bicycle on principal pedestrian sidewalks, through building walkways (inside or outside) or other pedestrian paths is not permitted. Riders are expected to dismount when using pedestrian-only walkways.

UST Police bike patrol officers are exempt from these limitations when performing official duties. More information on Parking Regulations can be found on the UST website.

SECTION 16: WARRANT AND ARREST POLICY

The University of St. Thomas will assist law enforcement agencies in carrying out their duties while minimizing disturbances to the campus community and preserving the confidentiality of students’ personal affairs.

Representatives of law enforcement agencies should be directed to the Vice President for Student Affairs or the Chief of Police, who will assist in locating the student and arrange for the warrant to be served in a secluded area. If the warrant is to be served in on-campus housing, the Director of Residence

Life will be contacted to accompany the law enforcement officers to the student's room.

If the agencies agree to it, the Vice President for Student Affairs or the Chief of Police can inform the student of the existence of the warrant and provide him/her with the appropriate information to resolve the issue.

SECTION 17: WEAPONS POLICY

The University strictly prohibits the use, sale, manufacture, distribution, purchase, transfer, receipt or possession of weapons by students on the University's campus; any grounds or buildings on which an activity sponsored by the University is being conducted; and in any passenger transportation vehicle owned or leased by the University.

The following is also prohibited:

- Use, sale, manufacture, distribution, purchase, transfer, receipt, or possession of weapons while attending classes, and/or while entering or being physically present on the University's premises, including residence halls-
- Students from entering University premises or reporting for class while in possession of weapons.

Weapons include firearms, knives with a blade longer than three inches (with the exception of knives designed for food preparation, used in a cooking area), explosive materials, or any other object that could be used to harass, intimidate, or injure another individual, student, faculty or non-faculty member, volunteer, manager, or supervisor.

The University reserves the right, with cause, to conduct searches and inspections of students and/or their personal effects, lockers, desks, and/or other containers located on University premises. This includes University vehicles wherever located. Entry onto University premises or attendance at an activity sponsored by the University constitutes consent to such searches or inspections. The purposes of such searches or inspections under this policy are to determine whether any student is in possession of weapons.

Searches will be conducted by authorized law enforcement officers. Authorizations may come from the Chief of Police, the President or the respective Vice President or their designees, or by a certified law enforcement officer in instances of clear and present imminent danger.

A student's refusal to submit to such searches may result in disciplinary action that can include any of the full range of sanctions as cited in the Code of Student Conduct, including suspension or expulsion.

TEXAS PENAL CODE

This policy is not intended to prohibit the storage or transport of a firearm or ammunition that a student is authorized by law to possess in a locked, privately owned or leased motor vehicle by a student who holds a license to carry a handgun under Subchapter H, Chapter 411, Government Code and lawfully possesses the firearm or ammunition: on a street or driveway located on the campus of the Uni-

versity; or in a parking lot, parking garage, or other parking area located on the campus of the University.

Students are prohibited from entering University property with a concealed handgun or a handgun that is carried openly. By entering onto University premises or attendance at an activity sponsored by the University, students acknowledge the following notice with respect to such premises and property:

PURSUANT TO SECTION 30.06, PENAL CODE (TRESPASS BY LICENSE HOLDER WITH A CONCEALED HANDGUN), A PERSON LICENSED UNDER SUBCHAPTER H, CHAPTER 411, GOVERNMENT CODE (HANDGUN LICENSING LAW), MAY NOT ENTER THIS PROPERTY WITH A CONCEALED HANDGUN.

PURSUANT TO SECTION 30.07, PENAL CODE (TRESPASS BY LICENSE HOLDER WITH AN OPENLY CARRIED HANDGUN), A PERSON LICENSED UNDER SUBCHAPTER H, CHAPTER 411, GOVERNMENT CODE (HANDGUN LICENSING LAW), MAY NOT ENTER THIS PROPERTY WITH A HANDGUN THAT IS CARRIED OPENLY.

QUESTIONS

Students having questions concerning this policy should contact the Office of Student Affairs at 713-525-3570.

SECTION 18: SEXUAL MISCONDUCT AND SEXUAL ASSAULT POLICY

Sexual misconduct of any kind or any form of violence is inconsistent with the University's values and incompatible with the safe, healthy environment that the University of St. Thomas community expects. All members of this community share responsibility for creating and maintaining an environment which promotes the safety and dignity of each individual. The most egregious form of sexual harassment and misconduct is sexual assault, which is an affront to justice that will not be tolerated at the University of St. Thomas. Federal laws view sexual misconduct, sexual assault, and related violence as forms of sexual harassment and discrimination prohibited under Title VII of the Civil Rights Act, Title IX of Education Amendments of 1972, and the Violence Against Women Reauthorization Act. Sexual misconduct, sexual assault, and related violence also violates state law as well as University policy. Employees, students, or guests found responsible for sexual misconduct, sexual assault, or related violence will ordinarily face outcomes up to and including dismissal from the University and may include criminal prosecution.

The University believes that no person should bear the effects of sexual misconduct, sexual assault, or related violence alone. When sexual misconduct, sexual assault or some form of related violence occurs, the University's paramount concern is for the safety, health and well-being of those impacted. To support and assist employees and students, the University provides a wide range of services and resources. Please see the section below on Resources for Medical, Counseling and Pastoral Care.

SEXUAL MISCONDUCT OFFENSES

Sexual misconduct offenses that are prohibited are:

- Non-consensual sexual contact, which is any sexual touching with any object, by any person upon another, without consent. Sexual touching is contact of a sexual nature, however slight.
- Non-consensual sexual intercourse, which is any sexual intercourse by any person upon another without consent. It includes oral, anal and vaginal penetration, to any degree, with any object. It is referred to as “sexual assault” in this policy.

Other forms of sexual misconduct include, but are not limited to:

- Sexual harassment
- Sexual exploitation
- Sexual intimidation and indecent exposure
- Sexual exhibitionism
- Sex-based cyber-harassment
- Prostitution or the solicitation of a prostitute
- Peeping or other voyeurism
- Going beyond the boundaries of consent, e.g., by allowing others to view consensual sex or the non-consensual video, photography or audiotaping of sexual activity.
- Distribution of pornographic material

Sexual Harassment

Sexual harassment is gender-based verbal or physical conduct (male/female, female/male, or same-sex) that has the purpose or effect of either unreasonably interfering with an individual’s work or academic performance or creates an intimidating, hostile, or offensive working or educational environment.

Three Types of Sexual Harassment

Hostile Environment includes any situation in which there is harassing conduct that is sufficiently severe, pervasive/persistent and patently offensive so that it alters the conditions of education or employment, from both a subjective (the alleged victim’s) and an objective (reasonable person’s) viewpoint. The determination of whether an environment is “hostile” must be based on all of the circumstances. These may include:

- The frequency of the conduct
- The nature and severity of the conduct
- Whether the conduct was physically threatening
- Whether the conduct was humiliating
- The effect of the conduct on the alleged victim’s mental or emotional state
- Whether the conduct was directed at more than one person
- Whether the conduct arose in the context of other discriminatory conduct
- Whether the conduct unreasonably interfered with the alleged victim’s educational or work performance

Quid Pro Quo sexual harassment exists when unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature occurs and then submission to or rejection of such conduct results in adverse educational or employment action.

Retaliation involves harassment or intimidation of a person that includes but is not limited to verbal or physical threats or actual violence against the person or his/her property, adverse or educational or employment consequences, ridicule, taunting, bullying, or ostracism.

Not all workplace or educational conduct that may be described as “harassment” affects the terms, conditions or privileges of employment or education. For example, a mere utterance of an ethnic, gender-based or racial epithet that creates offensive feelings in an employee or student would not normally affect the terms and conditions of their employment or education.

Contact the Human Resources Department regarding allegations of sexual harassment involving an employee, Student Affairs regarding allegations of sexual harassment involving a student, or the Title IX Coordinator.

Sexual Exploitation

Sexual exploitation is when someone takes non-consensual or abusive sexual advantage of another for his/her own advantage or benefit or to benefit anyone other than the one being exploited. Examples include non-consensual electronically recording, photographing or transmitting intimate or sexual utterances, sounds or images without the knowledge and consent of all parties involved and voyeurism (spying on others who are in intimate or sexual situations).

Sexual Intimidation

Sexual intimidation involves threatening another with a non-consensual sex act such as engaging in indecent exposure. Violence against another person can take many forms. Violence, in the context of this policy, includes domestic violence, dating violence and stalking.

Domestic Violence

Domestic violence is a pattern of abusive behavior in any relationship that is used by one partner to gain or maintain power and control over another intimate partner.

Dating Violence

Dating violence is a violent act committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim.

Stalking

Stalking is a pattern of repeated and unwanted attention, harassment, contact or any other course of conduct directed at a specific person that would cause a reasonable person to feel fear.

CONSENT

Consent means informed, freely given agreement, communicated by clearly understandable words or actions, to participate in each form of sexual activity. Consent cannot be inferred from silence, passivity, or lack of active resistance. A current or previous dating or sexual relationship is not sufficient to constitute consent, and consent to one form of sexual activity does not imply consent to other forms of sexual activity. By definition, there is no consent when there is a threat of force or violence or any other form of coercion or intimidation, physical or psychological. A person who is the object of sexual aggression is not required to physically or otherwise resist the aggressor; the lack of informed, freely given consent to sexual contact constitutes sexual misconduct.

Intoxication or being under the influence of illegal drugs is not an excuse for failure to obtain consent.

An incapacitated person is incapable of giving consent. A person is incapacitated if that person is in a physical or mental state such that he or she lacks the ability to make a knowing and deliberate choice to engage in the sexual interaction. For the purposes of this policy, a person who is asleep or unconscious is incapacitated, without exception. A person may also become incapacitated due to other factors, which may include the use of alcohol and/or drugs to such a degree that the person no longer has the ability to make a knowing or deliberate choice to engage in the sexual interaction.

Persons who are considered sober and reasonable would be capable of giving consent for sexual interaction. When there is a question of whether consent was obtained, this is the model to apply in considering whether the respondent should have known that the complainant had the capacity to give consent.

Under this policy “No” always means “No” and “Yes” may not always mean “Yes.”

PRIVACY AND CONFIDENTIALITY

Confidential Resources

Employees and students may access confidential, professional mental health counseling assistance at the University’s office of Counseling and Disability Services. Assistance through Counseling and Disability Services will remain confidential except within the following limiting circumstances:

- Risk of probable imminent physical or emotional harm to self or physical harm to another;
- Having cause to believe that a child, elderly individual or an individual with a disability has been or may be abused, neglected or exploited physically, emotionally or sexually;
- If there is a report by a patient/client or former patient/client of sexual exploitation by a mental health service provider;
- If a court-ordered subpoena demands release of information.

Confidential support is also offered by off-campus community health providers and/or off-campus rape crisis resources.

Within Campus Ministry, priests, deacons, and religious sisters and brothers will also honor an employee’s or student’s request for confidentiality. These individuals will honor confidentiality unless there is

an imminent danger to the employee, student or to others. However, an employee's or student's disclosure during the sacrament of confession will not be revealed by the priest for any reason, which is a sacred obligation protected by law.

Parameters of Confidentiality and Mandated Title IX Investigations

In all instances and to the extent possible, the University will protect the privacy of all parties to a report of sexual misconduct or sexual assault. That said, under federal law, University officials (with the exception of those listed under Confidential Resources, above) who receive a report of sexual assault, whether from the employee or student involved or a third party, must share that information with the appropriate University authorities for investigation and follow-up. The University is obligated under the law to investigate the complaint, to take action to eliminate sexual misconduct, sexual harassment, and sexual assault, prevent its recurrence and address its effects. An administrative investigation under Title IX must be initiated if the University has enough information to reasonably determine key facts, e.g., time, date, location and names of parties involved in an alleged incident. This administrative investigation will be conducted by the Title IX Coordinator or his/her designee, and will include a review of obtained statements, interviews with both parties, interviews with witnesses as appropriate, and review of relevant documentary evidence. The University is obligated to conduct this investigation regardless of the complainant's requests.

REPORTING SEXUAL MISCONDUCT AND SEXUAL ASSAULT

The University strongly encourages the prompt reporting of prohibited conduct covered under this policy. Delays in reporting can greatly limit the University's ability to stop the alleged conduct, collect evidence and/or take effective action against individuals or organizations accused of violating this policy. A report of alleged violations of this policy may be made by

- a person who believes he/she experienced prohibited conduct (a complainant); and/or
- a person who has information that prohibited conduct may have been committed (a reporter).

To report an incident of sexual misconduct or sexual assault, please call the University of St. Thomas Police Department at (713) 525-3888 or call 911. The University Police Department is available 24 hours a day, 7 days a week and is located in the Moran Center, 3807 Graustark Street. During business hours, you may also report incidents of sexual misconduct to:

If a complainant chooses not to participate in the University's investigation of a report, the University may, at its discretion, pursue the report without the complainant's participation.

Additional University Steps in Responding to a Complaint of Sexual Misconduct or Sexual Assault

1) Assignment of a Case Coordinator

Whenever the University receives a report of sexual misconduct or sexual assault, the complainant will be referred to a designated individual who will serve as a resource person to the complainant to identify, explain and navigate the complainant's reporting options and the available support services. This can include referrals to counseling, educational support, pastoral care, and medical treatment, and information about University and legal processes. The designated individual can also provide assistance in rearranging class schedules, extracurricular activities and housing and on-campus dining arrangements; to the extent that a student's requests are reasonable and can be accommodated, every effort will be made to do so. Where appropriate, the goal of any adjustment will be to minimize the burden on the complainant's educational program. Similarly, a respondent will also be assigned a designated individual, to provide him or her with support, information and assistance.

2) No Contact Orders Issued to the Complainant and the Respondent

Upon receipt of a report of alleged sexual harassment, misconduct, or sexual assault in which the respondent is a current University of St. Thomas employee or student, the Title IX Coordinator shall issue "no contact" orders to the complainant and respondent.

INTIMIDATION OR THREATS TO INHIBIT REPORTING

The University strongly encourages employees and students to report any incident of sexual harassment, misconduct or sexual assault. The University of St. Thomas takes such reports very seriously. Any actual or threatened retaliation or any act of intimidation to prevent or otherwise obstruct the reporting of sexual harassment, misconduct or sexual assault or the participation in proceedings relating to sexual harassment, misconduct or sexual assault by a respondent or third party is itself prohibited and will result in immediate action by the Title IX Coordinator or his/her designee. A complainant or witness who is threatened in any way should immediately report these concerns to the Dean of Students or the Title IX Coordinator.

TIMELY WARNING TO CAMPUS

In an effort to provide timely notice to the University of St. Thomas community, and in the event of a serious crime against people that occurs on campus, where it is determined that the incident may pose a serious, ongoing threat to members of the University of St. Thomas community, a mass email may be sent to all students and employees on campus and is posted on the University of St. Thomas website. Crime alerts may also be posted by the University in the residence halls and various other buildings on campus. Updates to the University of St. Thomas community about any particular case resulting in a

crime alert may be distributed via email, text through the University's emergency management system, and/or may be posted on the University of St. Thomas website.

REPORTING OPTIONS

An employee or student has the option to pursue a criminal complaint with the appropriate law enforcement agency, to pursue a complaint through the University Title IX Coordinator, or to pursue both processes consecutively or concurrently. Regardless of the option chosen, the University will initiate an administrative investigation under Title IX.

Option 1: Criminal Complaint

The University encourages employees and students to report all incidents of sexual harassment, misconduct or sexual assault to the police. If the incident occurred on University of St. Thomas property, University of St. Thomas Police Department is the appropriate agency with which to file a report. Off-campus incidents will likely fall in the jurisdiction of the Houston Police Department, Constable's Office, or Harris County Sheriff's Department. The University's Police Department can assist in contacting the appropriate law enforcement agency.

Incidents of sexual harassment, misconduct or assault involving employees or students that are reported to the University of St. Thomas Police Department will also be referred to the Title IX Coordinator and/or Dean of Students for follow-up and administrative investigation.

The administrative investigation conducted by the Title IX Coordinator or his/her designee is distinct from the criminal investigation and flows from the University's obligation under Title IX or the Violence Against Women Reauthorization Act to ensure that it is providing a safe environment for all employees and students. If a complainant wishes to pursue a criminal complaint exclusively, the complainant may choose to temporarily defer the administrative investigation by making a formal written request to the Title IX Coordinator or Dean of Students, which may delay the administrative investigation and the University's ability to respond. The University may continue its administrative investigation where it has reason to believe that the alleged harasser may be an imminent threat to the safety of the complainant and/or other employees or students. At any time, the complainant may choose to rescind the deferral by making a formal written request to the Title IX Coordinator or Dean of Students, electing to resume the administrative investigation. The University will maintain documentation of the date of deferral. Information obtained through the criminal investigation may be used for consideration in the University's investigation.

If an employee or student pursues a criminal complaint, a member of the University Police Department will request that the Harris County District Attorney's Office keep the University informed and immediately advise of its decision whether to prosecute the complaint. The University will maintain documentation of the date of the request to the District Attorney's Office. In cases where the District Attorney's Office declines prosecution, a member of the University Police will provide written notice to the complainant and Title IX Coordinator of the decision.

Option 2: University Conduct Process

Sexual harassment or misconduct involving employees and students, including sexual assaults, whether or not they have been reported to a police agency, should also be reported to the University for investigation and resolution through University processes.

If an employee or student reports an incident of sexual harassment, misconduct or sexual assault to the University, the Title IX Coordinator or Dean of Students or his/her designee will conduct a fair, prompt, and impartial administrative investigation and resolution of all reports of prohibited conduct by an investigator who is properly trained to investigate and resolve such allegations. An administrative investigation will include a review of obtained statements, interviews with both parties, interviews with witnesses as appropriate, and a review of relevant documentary evidence. Once the investigation is complete, the Title IX Coordinator or his/her designee, in conjunction with a review by the Dean of Students will make a determination based on the merits of the investigation. The investigation of a complaint will be concluded as soon as possible after receipt of the complaint. In investigations exceeding 60 days, a justification for the delay will be presented to and reviewed by the Title IX Coordinator.

Conduct Process and Sanctions for Students

- Upon completion of the investigation, if it is determined the allegations have merit, a Notice of Complaint letter will be sent to the alleged student. This letter will include the alleged Code of Conduct violation and a meeting request to discuss the alleged conduct. At the time of the meeting, the alleged student will have the opportunity to respond to the allegation in writing, at which point the Title IX Coordinator and/or Dean of Students can dismiss the allegations or proceed with the disciplinary process. If he/she proceeds with the disciplinary process, the next step is to determine if the offence is a major or minor violation of the Code of Student Conduct. A major violation of the Code is defined as any violation that may result in suspension or expulsion from the University. If the alleged violation is determined to be a potential major violation of the code, the student will be given a choice between an administrative hearing or a hearing with a disciplinary hearing board. The choice must be made in writing at the time of election and presented to the Dean of Students. If the student elects an administrative hearing, he must affirm that he is aware of and understands that the full range of sanctions, including suspension or expulsion from the University, may be imposed by the Dean of Students.
- Administrative Hearing – During an administrative hearing, the Dean of Students presents the administrative disposition to the student in writing, which includes the violation charged, whether the student is responsible or not responsible for the violations charged, the sanctions imposed, and the right to appeal. All parties involved in the case will have the opportunity to appeal the finding in sexual misconduct cases.
- Disciplinary Hearing Board – If the student elects to have a Disciplinary Hearing Board, the Dean of Students will select an ad-hoc disciplinary hearing board. This board is comprised of five faculty and/or staff and/or student members, not to exceed two student members. Student members are selected from the Student Judiciary. The Committee members will select a chairperson from among their number whose duties will be to see to the proper conduct of the hearing; rule on the

admissibility of evidence, motions and objectives, prepare a letter listing the outcome of the hearing, including any applicable sanctions, and the procedures for appeal, and certify the hearing record, if notice of appeal is given. Both findings and sanctions determined by the Disciplinary Hearing Board shall be regarded as recommendations to the Dean of Students.

- Advisors – Both the complainant and the accused have the right to have an advisor present with them during both the administrative hearing process and disciplinary hearing board process.
- Sanctions – For all cases involving sexual misconduct, the full range of sanctions stated in the Student Handbook can be given, including removal from campus housing, removal from extracurricular activities to include collegiate athletics, suspension from the university, and expulsion from the university.

Conduct Process and Sanctions for Employees

- Meet with the charging employee and obtain a written statement to ensure all details are documented.
- Investigate the allegations – meet with the employee that the charge has been filed against and obtain a written statement from them detailing what occurred.
- Interview other employees/managers, depending on the allegations, to obtain supporting information.
- Have follow up meetings with both parties, if necessary.
- A determination will be made after reviewing all the facts gathered, conversations with the parties involved, consulting with legal counsel, consulting, if necessary, with the department manager, and evaluating the merits of the allegations. The Associate Vice President for Human Resources is responsible for affirming the final determination.
- Upon completing the investigation, the following actions will be taken depending on the outcome.
 - Allegations have merit – depending on the seriousness and egregious nature of the actions that occurred, the employee will either be placed on leave while the investigation is conducted, be given a written reprimand with termination if another incident occurs or be terminated. If the employee is not terminated, they will be instructed to avoid interacting with the charging party. Meet with each individual to communicate and outcome.
 - Allegations do not have merit - a meeting will be held with each party to convey the outcome of the investigation. The charging party will be asked for any additional information they think would be important. If none is given, the case will be closed.

Option 3: Simultaneous Processes

An employee or student has the option to pursue a criminal complaint with the appropriate law enforcement agency, to pursue an investigation by the University, or to pursue both processes consecutively or concurrently. In all cases, the Title IX Coordinator must be notified of the incident and/or complaint.

WRITTEN NOTICES

Employees and students who report alleged sexual harassment, misconduct or sexual assault will be provided with written notice of the above referenced reporting options. The University, through the Title IX Coordinator or his/her designee, must also obtain written acknowledgment from the employee or student of her/his decision regarding which options, if any, the employee or student wishes to pursue.

The complainant, and the respondent, will be provided updates on the progress of the investigation and issuance of the finding. Both complainant and respondent will be simultaneously informed in writing of the outcome of any University disciplinary hearing arising from an allegation of prohibited conduct and of the University's procedures for appealing the results of the disciplinary hearing.

STANDARD OF EVIDENCE

The purpose of an investigation, which includes interviewing the parties and witnesses, is to gather and assess evidence. The standard of evidence used in investigation and adjudicating complaints made under this policy is the "preponderance of the evidence" standard. This standard is met if the allegation is deemed more likely to have occurred than not. All investigators shall have appropriate and ongoing training regarding issues related to domestic violence, dating violence, sexual assault, sexual misconduct and stalking, as well as, on how to conduct an investigation that protects the safety of complainants and promotes accountability.

OTHER POTENTIAL POLICY VIOLATIONS

At times, employees or students are hesitant to report the occurrence of a sexual assault to University officials because they are concerned that they themselves, or witnesses to the misconduct, may be found responsible with other policy violations, e.g., parietais or alcohol violations. These behaviors are not condoned by the University, but the importance of dealing with alleged sexual harassment, misconduct or sexual assault outweighs the University's interest in addressing lesser violations. Accordingly, in these cases, the University may not subject an employee or student to further review for other issues that may surface as part of the investigation of a complaint of sexual harassment, misconduct or sexual assault.

SANCTIONS

The University reserves the right to take whatever measures it deems necessary in response to an allegation of sexual harassment, misconduct or assault in order to protect employees' and students' rights and personal safety. Such measures include, but are not limited to, modification of work arrangements, living arrangements, interim suspension from campus pending a hearing, and report to local law enforcement. Not all forms of sexual misconduct will be deemed to be equally serious offenses, although all allegations are taken seriously, and the University reserves the right to impose differing sanctions ranging from oral warnings to, in the case of employees, termination, or in the case of students, expulsion, depending on the severity of the offense. The University will consider the concerns and rights of both the complainant and the person accused of sexual harassment, misconduct, or assault.

CONFIDENTIALITY AND ANONYMITY

Individuals wishing to remain anonymous can file a complaint (by telephone or in writing) with the University Title IX Coordinator. However, electing to remain anonymous may greatly limit the University's ability to investigate an alleged incident, collect evidence and/or take effective action against individuals or organizations accused of violating this policy.

The University has an obligation to maintain an environment free of sex discrimination, thus many University employees have mandatory reporting and response obligations and may not be able to honor a complainant's request for confidentiality. In the event confidentiality cannot be maintained, the University will share information only as necessary and only with people who need to know to fulfill the purposes of this policy and applicable law, such as investigators, witnesses, administrators, and the respondent. The University will comply with the Family Educational Rights and Privacy Act (FERPA), with Texas Education Code Section 51.971 and other confidentiality laws as they apply to Title IX investigations.

Complainants who want to discuss a complaint in strict confidence may use the confidential support resources described in this policy, should speak with a campus mental health counselor, Employee Assistance Program (EAP) counselors, priest or religious sister through Campus Ministry, and/or off-campus rape crisis resources who can maintain confidentiality.

RESOURCES FOR MEDICAL, COUNSELING AND PASTORAL CARE

It is especially important for employees and students who have been sexually assaulted to seek immediate and appropriate medical treatment. Individuals who have been sexually assaulted can secure immediate help by going to a local hospital emergency room or contacting an off-campus rape crisis hotline. Texas law allows an individual to go directly to a medical facility for a sexual assault exam without police involvement.

While the University's staff is unable to perform procedures related to the collection of evidence for the purposes of pursuing criminal prosecution, they can provide assistance and support when a student re-

quests or requires transportation to the hospital. Major hospitals in close proximity to the University have trained sexual assault teams available 24 hours a day, seven days a week. Emergency Room staff may ask if the employee or student wishes to speak to the police or other law enforcement personnel; this decision is up to the employee or student.

It is important to preserve forensic and other physical evidence that may assist in proving the alleged criminal offense occurred and such evidence may be helpful in obtaining a protection order against the respondent. Therefore, a medical exam should be performed immediately after the event, if possible. If a medical exam is not or cannot be performed immediately after the event, individuals may obtain a Sexual Assault Forensic Exam (SAFE) within five (5) days of the sexual assault if law enforcement is involved and within four (4) days if they are not. With the individual's consent, the physical evidence collected during this medical exam can be used as a part of a criminal investigation; however, individuals may undergo a SAFE regardless of whether he/she has contacted, or intends to contact, the police. For additional information on SAFE exams, see <http://hopelaws.org/>. An individual may also seek an exam from his or her own physician. The cost of the forensic portion of the exam is covered by the law enforcement agency investigating the assault or, in cases where a report will not be made to the police, the Texas Department of Public Safety. This does not include fees related to medical treatments not part of the SAFE.

An individual who experiences any form of sexual assault, domestic violence, stalking, and dating violence are encouraged to also preserve evidence by saving text messages, instant messages, social networking pages, other communications, and keeping pictures, logs or other copies of documents, that would be useful to University adjudicators/investigators or police.

Reporting an assault to law enforcement does not mean the case will automatically go to criminal trial or through University disciplinary processes. If the police are called, a uniformed officer will be sent to the scene to take a detailed statement. A report may be filed with the police regardless of whether or not the accused was a UST student.

If a decision is made to make a report to the police, it is important to note that police jurisdictions depend on where the sexual assault occurred.

If the alleged incident occurred on campus, a report may be filed with UPD by calling 713-525-3888 or in person at UPD headquarters at 3807 Graustark Street, Houston, Texas 77006 (contained within the Moran Parking Garage).

If the alleged incident occurred in off-campus, a report may be filed with the respective police department for the jurisdiction such as the Houston Police Department, regardless of time elapsed since the assault occurred. If a report is made to a police department, a uniformed officer will be dispatched to the location to make a written report. Houston Police Department's contact information is listed below:

- Emergency: 911
- Victim Services: 713-308-0080
- Family Violence: 713-308-1100

- Non-emergency: 713-884-3131

An individual who has experienced a sexual assault is strongly encouraged to seek medical and psychological care regardless of whether he/she intends to request a SAFE or report the assault to the police. He/she may be prescribed medications to prevent sexually transmitted infections and/or pregnancy regardless of whether the police were contacted or a SAFE was performed. Medical care can be provided at a local emergency room or by a private physician. Psychological support can be provided by the University Counseling and Disability Services office or by an off campus care provider of the individual's choosing.

An individual who experiences any form of sexual assault may pursue any civil or criminal remedies provided by state law. An individual does not need to file a criminal police report to either use on or off-campus resources or to file a complaint with the University. However, the University Title IX Coordinator or designee will assist any individual with notifying law enforcement if they so desire.

A protective order is a civil court order issued to prevent continuing acts of family violence, sexual assault, human trafficking or stalking. The Attorney General of Texas has extensive information on protective orders and can be downloaded from their website, <https://texasattorneygeneral.gov/cvs/victims-rights-resources#protectiveorders>

The University of St. Thomas complies with the State of Texas laws in recognizing orders of protection.

Any person who obtains an order of protection from the State of Texas or any other state should provide a copy to UPD. Students should also provide a copy of an order of protection to the Dean of Students Office. UPD can provide the protected individual with strategies for campus police and the victim to reduce risk of harm while on campus or coming and going from campus. In some situations, UPD may be able to assist in obtaining an Emergency Protective Order, however, the victim is required to apply directly for these services through the county or district court where the victim resides.

The University may issue an institutional no contact order if deemed appropriate or at the request of the victim or accused. If the University receives a report that such an institutional no contact order has been violated, the University will initiate disciplinary proceedings appropriate to the status of the accused (student, employee, etc.) and will impose sanctions if the accused is found responsible for violating the no contact order.

In a crisis situation, Counseling and Disability Services' professional mental health counselors can be reached after hours by contacting the University Police Department at (713) 525-3888 to request that a counselor contact him or her directly. The University is staffed by trained professionals who can provide specialized support and assistance to employees and students who have been assaulted. These services are available at any time, whether it is days, months, or years after the incident.

Confidentiality is offered by two University departments. Through the office of Counseling and Disability Services, current students may seek counseling and/or information and referral to off-campus resources; current employees may seek a counseling consultation and/or information and referral to off-

campus resources. Counseling and Disability Services can be reached at (713) 525-2169 or (713) 525-6953. After regular business hours, call (713) 525-3888.

Within Campus Ministry, priests, deacons, and religious sisters and brothers are able to provide pastoral counseling support. These individuals will honor an employee's or student's request for confidentiality unless there is an imminent danger to the employee, student or to others. However, an employee's or student's disclosure during the sacrament of confession will not be revealed by the priest for any reason, which is a sacred obligation protected by law. Campus Ministry can be reached at (713) 525-3589 or at campusministry@stthom.edu.

In addition to utilizing the confidential services of Campus Ministry and Counseling and Disability Services, employees or students may directly contact the Title IX Coordinator, the Provost and Vice President for Academic Affairs, or the Vice President for Student Affairs.

EDUCATION PROGRAMS AND ONGOING PREVENTION AND AWARENESS CAMPAIGNS

The University engages in comprehensive, intentional, and integrated programming, initiatives, strategies, and campaigns intended to end dating violence, domestic violence, sexual assault and stalking.

Programs to prevent dating violence, domestic violence, sexual assault, and stalking include both primary prevention and awareness programs directed at incoming students and new employees and ongoing prevention and awareness campaigns directed at students and employees.

All incoming students and new employees participate in the Sexual Misconduct and Bystander Intervention education program. These primary prevention and ongoing awareness programs include:

- A statement that the University prohibits domestic violence, dating violence, sexual assault and stalking
- Definitions of “domestic violence,” “dating violence,” “sexual assault,” and “stalking”
- Definition of “consent” in reference to sexual activity
- Safe and positive options for bystander intervention that a person may take to prevent harm or intervene when there is a risk of one of these offenses
- Information regarding risk reduction strategies to recognize warning signs of abusive behavior and how to avoid potential attacks
- Possible sanctions or protective measures the University may impose following a final determination of an SJS disciplinary procedure regarding domestic violence, dating violence, stalking and sexual assault
- Procedures individuals should follow if one of these offenses has occurred, where to report, resources available, and what happens after the report is made.

BYSTANDER INTERVENTION

One of the most effective methods of preventing sexual assault is through bystander intervention. Some people might be concerned that they are being encouraged to place themselves in jeopardy to stop crimes in progress. This is not the case. There may be observable signs that occur prior to sexual misconduct that would lead a witness to suspect an employee or student could be in an unsafe situation. Bystander intervention encourages people to watch for those behaviors and situations that appear to be inappropriate, coercive and/or harassing.

Ways to Intervene

There are steps one can take if he/she observes or suspects an employee or student is in an unsafe situation. Having the courage to intervene may prevent an assault from occurring. Possible steps for a bystander to take are listed below to include:

- Making up an excuse to get the person out of a potentially dangerous situation;
- Letting an individual know that his/her actions may lead to serious consequences;
- Remaining with a person who may be in trouble, despite another individual’s efforts to isolate or entice that person;
- Employing a group dynamic to alert an individual that his/her behavior is inappropriate;

- Taking steps to curb someone's use of alcohol before problems occur;
- Calling the authorities when the situation warrants.

TITLE IX COORDINATOR

The designated Title IX Coordinator for the University is the Associate Vice President for Human Resources, located in the Human Resources Office at 3818 Graustark, Houston, TX 77006. The Title IX Coordinator can be reached at (713) 525-3813 or titleixcoord@stthom.edu.

FILING OF FALSE COMPLAINTS

Any person who knowingly and intentionally files a false complaint of sex discrimination, sexual harassment (including sexual violence) or sexual misconduct is subject to disciplinary action, up to and including dismissal from the University.

QUESTIONS

Questions regarding this policy should be directed to the University Title IX Coordinator, the Office of the Dean of Students, or the University Police Department.

SECTION 19: HAZING POLICY

Hazing of any kind is inconsistent with the University's values and incompatible with the safe, healthy environment that the University of St. Thomas community expects. All members of this community share responsibility for creating and maintaining an environment which promotes the safety and dignity of each individual. Not only is hazing against the law, but the very act and its outcomes are detrimental to the type of leaders the institution strives to develop. UST is committed to providing a safe environment for all members of the university community and prohibits hazing by any student or student group.

DEFINITIONS:

1. Appropriate University Official – any UST employee or official who is in a position to stop or remedy hazing; including, but not limited to officials responsible for student housing, student conduct, student organizations; athletic coaches and trainers; and advisors to student organizations.
2. Hazing - any intentional, knowing or reckless act, occurring on or off campus, by one person acting alone or with others, directed against an individual or group that endangers the mental or physical health or safety of that individual or group for the purpose of pledging, being initiated into, affiliating with, holding office in, or maintaining membership in any organization regardless of whether the student victim may have consented to or acquiesced in the activity. The term "hazing" includes, but is not limited to:
 - Subjecting the student(s) to an unreasonable risk or harm.

- Adversely affecting the mental or physical health or safety of the student(s).
 - The destruction of private or personal property or the disruption of a campus community environment.
 - Unreasonably or unusually impairing an individual's academic efforts.
3. Student – any person who (a) is currently enrolled at the University; (b) is accepted for admission or readmission to the University; (c) has been enrolled at the University in a prior semester or summer term and is eligible to continue enrollment in the semester or summer term that immediately follows; (d) is attending an additional program sponsored by the University while that person is on campus; or (e) had engaged in prohibited conduct at a time when he/she met the criteria of (a), (b), (c), or (d).
 4. University Student Organization / Group – a number of persons who have complied with the University requirements for official recognition or registration as a student club/organization.

POLICY:

All students are strictly prohibited from engaging in any hazing activity.

1. Prohibited Personal Conduct

No person may engage in hazing; solicit, encourage, direct, aid, or attempt to aid another to engage in hazing; recklessly permit hazing to occur; or have firsthand knowledge of the planning of a specific hazing incident involving a student at UST, or have firsthand knowledge that a specific hazing incident has occurred, and knowingly fail to report that knowledge to the Dean of Students or other appropriate university official.

No person who has cause to believe that an incident of hazing may have adversely affected the physical or mental health or welfare of an individual under 18 years of age, shall fail to immediately report the incident to law enforcement authorities in accordance with the obligation to report child abuse or neglect. The obligation to report child abuse or neglect is mandated by state law and a report must be made to law enforcement authorities prior to the notices related to hazing. Reporting an incident of child abuse or neglect to any other institutional official, other than the police department, does not fulfill the legal obligation to report child abuse or neglect.

2. Prohibited Organizational Conduct

No student group may condone or encourage hazing. No officer, authorized representative, or any combination of members, potential new members, or alumni of the organization commit or assist in the commission of hazing. Both a student group and individuals participating in hazing may be subject to discipline.

3. Example of hazing activities, which are explicitly prohibited include, but are not limited to the following:

- Compelling individuals to consume alcohol or drugs.
- Paddling in any form, shoving or otherwise striking individuals.

- Compelling individuals to wear or carry unusual, uncomfortable, degrading or physically burdensome articles or apparel.
- Compelling individuals to engage in sexual behavior, sexual or racial harassment or slurs or exhibitionism.
- Depriving individuals of the opportunity for sufficient sleep, decent edible meals or access to means of bodily cleanliness.
- Activities which impair an individual's academic efforts by causing exhaustion, loss of sleep or reasonable study time, or by preventing an individual from attending class.
- The creation of excessive fatigue by participation in physically demanding activities (calisthenics, runs, etc.)
- Compelling individuals to eat or drink unusual substances or compelling the consumption of undue amounts or odd preparations of food.
- Having substances thrown at, poured on or otherwise applied to the bodies of individuals.
- Morally degrading or humiliating games or any other activities which make an individual the object of amusement, ridicule or intimidation.
- Transporting individuals against their will, abandoning individuals at distant locations, or conducting any "kidnap," "ditch" or "road trip" that may in any way endanger or compromise the health, safety or comfort of any individual.
- Causing an individual to be indecently exposed or exposed to the elements.
- Requiring an individual to remain in a fixed position for a long period of time.
- Compelling an individual to be branded or tattooed.
- "Line-ups" involving intense shouting of obscenities or insults.
- Compelling individuals to participate in activities (pranks, scavenger hunts, etc.) which encourage the defacement of property; engage in theft; harass other individuals, groups of individuals or organizations; or disrupt the normal activities of the University.
- Tests of courage, bravery, stamina or sexuality.
- Intentionally deceiving members, prior to initiation, to make them believe they will not be initiated.
- Intentionally deceiving new members of an organization to make them think they will be struck or hurt.
- Excluding an individual from social contact for prolonged periods of time.
- Compelling an individual to engage in acts of personal servitude.

4. How to Report Hazing

Anyone with knowledge of hazing should immediately report the matter to UST by contacting the Dean of Students Office at 713-525-3570 or the University Police Department at 713-525-3888.

UST will investigate all reports of hazing involving students, whether the alleged misconduct took place on or off campus and regardless of the victim's acquiescence to the alleged misconduct.

5. Applicability of Community Standards

The terms and concepts (e.g., humiliating, degrading, unusual, uncomfortable, embarrassing, demeaning, etc.) cited in this policy shall be interpreted by university officials in relation to acceptable and applicable community standards.

6. Immunity for Good Faith Reporting

The University may elect not to pursue disciplinary sanctions for a violation of this policy for persons who voluntarily and in good faith provide information related to hazing. A person who makes a report in bad faith or with malice may be subject to disciplinary actions.

7. Obligation to Report

A person who believes that he or she had been subjected to hazing or a person who has knowledge of hazing activities should report the incident(s) to the Dean of Students, the University Police Department or another university official. All university officials must promptly report incidents of hazing to the Dean of Students or UPD.

8. Reporting By Health Care Professional

A doctor or other medical practitioner who treats a student who may have been subjected to hazing activities may report the suspected hazing activities to police or other law enforcement officials, and, in accordance with Texas law, will be immune from civil or other liability that might otherwise be imposed or incurred as a result of the report, unless the report is made in bad faith or with malice.

9. Sanctions

Students or student groups may be disciplined and sanctioned for the misconduct of hazing under the UST Student Code of Conduct. Violations of this policy may result in disciplinary action, with sanctions up to and including suspension or expulsion from the University.

All reports of hazing regarding student groups will be investigated by the Dean of Students or a designee. Student groups may also be referred for investigation by the UST Police.

10. Notification

UST will distribute a list of organizations that have been sanctioned for hazing or convicted for hazing on or off the campus of the institution during the preceding three years to each student within the first three weeks of each semester.

SECTION 20: EMERGENCY AND MEDIA NOTIFICATIONS

The safety and well-being of all students, faculty and staff is important to the University. The University of St. Thomas has taken steps to implement an Emergency Notification System (ENS) to communicate important alerts and emergency response information to students, faculty and staff. The system is for emergency use only. Test messages are sent out at the beginning of the fall and spring semesters. Students should watch the University's web site, myStThom, and the weekly student announcements for these test dates.

The ENS system enables campus leaders to immediately send messages to our entire community via four different modes of communication:

- Voice messages to home, work, cell phones and one alternate phone number
- Text messages to cell phones, PDAs and other text-based devices
- Written messages to the UST e-mail accounts and alternate email accounts
- Messages to TTY/TDD receiving devices for the hearing impaired
- Messages to UST social media sites

Students are responsible for updating their emergency contact information in myStThom. Instructions to update ENS information can be found at www.stthom.edu/ens.

In the case of an emergency, ENS notifications will be regularly posted on the University's web site, www.stthom.edu and UST social media sites: twitter.com/stthomashouston and [stthom.edu/facebook](https://www.facebook.com/stthom.edu).

If the school is closed, updates will also be recorded on the University's main phone number, 713-522-7911.

Information regarding school closings will be reported to KTRH, KUHF, Channel 2, 11, 13, 26 and 45 as well as the Houston Chronicle.

Questions regarding problems with the ENS system can be sent to ens@stthom.edu.

SECTION 21: DEMONSTRATION POLICY

The University of St. Thomas campus is private property. Our policy is to ensure a peaceful learning environment for all students. The University, at its sole discretion, reserves the right to deny entry onto its campus of anyone who may interfere with the University and its policies. In this regard, the University of St. Thomas is a Catholic institution and community of higher learning, requiring a standard of moral conduct higher than that expected of a secular community.

The University's general policy is to require prior approval for demonstrations on campus. All individuals and groups wishing to demonstrate on campus must request permission in advance from the University Police Department (UPD), who will inform them of the restrictions that govern their activities while on

University property, including the following:

1. All demonstrators will remain orderly and peaceful at all times.
2. All demonstrators will remain on the sidewalks and crosswalks, or within such other outdoor paved areas as may be designated by UPD.
3. Demonstrators will not block building entrances or exits, and will not block driveways, public or private streets, or intersections.
4. Demonstrators will obey all campus rules and all instructions of UPD.
5. Demonstrators will not abuse verbally or physically any person or damage any property.
6. Demonstrators will not engage in indecent, lewd or obscene behavior.

The University is under no obligation to permit any demonstration on its private property. If the University elects to permit a demonstration, it may impose such conditions as are deemed appropriate under the circumstances by University officials. These include without limitation: requiring a certified list of the names, addresses, registered agents, and principal officers of incorporated organizations, and the names and addresses of any individual persons, sponsoring the demonstration and who will be responsible for the actions and omissions of all demonstrators. The University may further require an indemnity bond or other security to afford assurance of protection of persons and property during any demonstration.

Demonstrators may be monitored by UPD, who may request assistance from the Houston Police Department. If any demonstrators create a condition believed by the University officials to threaten persons or property, to create a public disturbance or dangerous condition, or which may lead to the creation of a public disturbance or dangerous condition, or which otherwise is believed by the University to unreasonably interfere with the University, or its faculty, staff, employees or students, UPD may order all demonstrators to leave the campus immediately. If demonstrators fail to leave the campus on request, University officials may request assistance from the Houston Police Department to expel demonstrators from the campus.

SECTION 22: SPEAKER POLICY

The University of St. Thomas is committed to the Catholic intellectual tradition and the dialogue between faith and reason. By instructing students in analytical and logical thinking, we assist in the preparation of UST graduates for important roles in civic leadership and in their quest for truth. Our community is guided by the Basilian values of goodness, discipline, and knowledge. We are also committed to the vision and norms for education as set out in *Ex corde ecclesiae*, and we seek to act in accord with the statement of the United States Conference of Catholic Bishops concerning Catholics in political life. To serve these objectives, members of the University community must be free to engage the full range of views on a variety of subjects and must also strive to maintain clarity about the identity of the University. Speakers may be invited to campus and events produced on campus that promote the University's values, as well as to events that involve the expression of ideas or opinions that are contrary to Catholic

doctrines and teachings. From time to time, speakers or events can be problematic because they compromise our Catholic identity or offend our core values. In such cases, the following considerations, modifications, or reasons for prohibition will apply.

Policy/Procedure

1. Requests

- A. Faculty interested in inviting guest speakers to campus or hosting events on campus shall seek the timely advice of colleagues, appropriate department chairs, and appropriate deans, before arranging for speakers or events where it may be anticipated that the speech or event will offend the University's identity, values or mission. If the prospective invitation is questioned by a member of the UST community, the Vice President for Academic Affairs shall make the initial determination as to the propriety of the invitation after considering the matters outlined in sections 2 and 3.
- B. Requests by Students or Student Groups. A student or student group intending to invite a guest speaker to campus or to host an event for the public on campus must follow policies and procedures adopted by the Vice President for Student Affairs regarding guest speakers and events including obtaining advance approval from the Vice President for Student Affairs, or designee, so that the modifications will be considered before any invitation is extended.
- C. Requests by Staff. Members of the UST staff who wish to invite a guest speaker to campus or to host an event for the public on campus must follow policies and procedures adopted by the appropriate executive regarding guest speakers and events including obtaining advance approval from the executive or designee, so that the modifications will be considered before any invitation is extended.

2. Review by Faculty and Administrators

In reviewing any request for a guest speaker or event, where the speaker, event, or speech may compromise the Catholic identity and mission, the faculty, department, staff, Vice President for Academic Affairs, Vice President for Student Affairs, or designee, shall seek, where possible, modifications to the speech or event which, short of prohibiting it, would address the concerns and give consideration to:

- A. The educational content and value of the proposed speech or event
- B. The degree of faculty involvement in planning the speech or event
- C. The academic or educational context for the speech or event
- D. The amount of co-sponsorship by faculty and campus organizations.

3. Modifications

The concern about compromising our Catholic identity and mission may be addressed by applying the following modifications:

- A. Issuing disclaimers

- B. Requiring that a question and answer period immediately follow the speech or event
- C. Creating counter programming at a different time
- D. Balancing the speech or event with opposing views
- E. Changing the date or venue of the speech or event, or otherwise providing appropriate context for those attending
- F. Other appropriate options

4. Prohibition of Speech or Event

If the application of modifications from 3a is not possible or is inappropriate, an invitation may be withdrawn, or permission to invite a guest speaker or to host an event may be denied altogether if:

- A. By advocating positions or activity contrary to Catholic teachings, the speaker, speech or event is likely to compromise or offend the University's core values or mission as a Catholic liberal arts institution, and the person or group seeking permission refuses to accept modification
- B. There is a substantial risk that the speaker, speech or event would conflict with University policies concerning the creation of a hostile learning environment; iii. The speech or event poses a substantial risk to the physical safety of members of the community
- C. There is a substantial risk that the speech or event would disrupt University classes or obstruct access to campus facilities
- D. The speech or event would violate the civil or penal laws of the City of Houston, State of Texas, or the United States.

Notice: A decision by an administrator to deny or condition permission for a guest speaker or event must be provided in writing to the interested University party.

5. Appeal

The administrator should strive to give the persons and groups supporting or opposing the speech or event, an opportunity to be heard. A party may appeal the administrative decision to the President. The President shall have final authority to grant, deny, or condition usage of University property for any guest speaker or event. When the President exercises his authority to permit, condition, or deny permission for a guest speaker or event that has been questioned, the President will state his reasons in writing to the appropriate members of the University community.

6. Academic Freedom

This policy supplements the policy on academic freedom.

7. Annotations

Example of Disclaimer: An invitation to a guest speaker or the production of an event does not express or imply approval, endorsement, or sponsorship of the views expressed by the speaker or any aspect of the event by the University of St. Thomas or any of its community.

SECTION 23: POLITICAL SPEAKERS POLICY

It is the policy of the University of St. Thomas not to participate in, directly or indirectly, or to intervene in (including by means of the publishing or distributing of statements) any political campaign on behalf of, or in opposition to, any candidate for public office (or any proposition) whether the election is local, city, state or national. The University cannot endorse or appear to endorse any political candidate or take a stated position in any political campaign. Therefore, the University will not grant official recognition to any group formed exclusively to promote or to oppose the campaign of a candidate for public office (or a proposition). In the absence of official recognition, organizations may not reserve University facilities for any purpose or use any finances collected by the University of St. Thomas.

However, provided that the University's formal neutrality in elections and campaigns is clearly stated, officially recognized student organizations may reserve University facilities to conduct organizational meetings, or to sponsor and publicize the appearance of a candidate (or his or her representative). But no organization or individual may:

1. Use University facilities (for purposes of this policy, individual student rooms in University housing facilities are not considered to be "University facilities") to raise funds through admissions, fees, contributions, donations, or sale of materials or services to benefit a political party, campaign, or candidate.
2. Use University facilities for planning or participating in the operational process of a political campaign. Examples of operational processes include but are not limited to the following:
 - A. Use of a University facility and University-owned equipment to host an organizational meeting of a campaign's staff or for the purpose of planning activities or politicking for the said campaign, or to store campaign materials of any campaign.
 - B. Use of a University facility as a location for a political fundraiser.
 - C. Use of University grounds, property, or structures to display an advertisement, billboard, or sign urging voters to support or oppose a specified political campaign.
3. Use recognized University organization or University funds to pay honoraria or cover transportation, accommodation or meal expenses for candidates for public office or their recognized representatives or provide other financial or symbolic support.
4. Use recognized University organization or University funds to purchase promotional material, pay for campaign ads or contribute in any way to a political campaign.
5. Use University resources, including but not limited to, mail distribution services, the University seal or other identifying marks, stationery and letterhead, or facsimile and duplicating machines, for political purposes such as solicitation of funds for political campaigns or solicitation of endorsement of candidates for public office.

The Internal Revenue Code permits tax-exempt organizations to sponsor political forums or debates provided they are sufficiently non-partisan in nature and are conducted for the purpose of educating voters. Where recognized University organizations sponsor and/or use University facilities to hold political forums or debates, such organizations are expected to follow the following guidelines:

1. The format and ground-rules should be fair and impartial and should be agreed upon by the participants and relevant parties in advance of the event.
2. All of the major candidates and relevant constituencies should be invited to participate.
3. The moderator should state, at the beginning and conclusion of the program, that the views expressed by the participants are their own and not those of the University, and that sponsorship of the forum is not intended as an endorsement of any particular candidate by the University.

When the University as a whole officially invites one candidate to speak on campus, then all major candidates should be invited, although not necessarily at the same time. Defining who is a candidate is not always easy. Normally, candidates from major parties are obvious candidates, as are individuals who amass a certain degree of support. Incumbents are candidates at times during the season of elections, which may be sometimes difficult to judge. When questions arise on matters such as these, it is generally safer to ask the Vice President for Student Affairs or others for guidance.

These policies are normally self-policing. That is, all members of the campus community are expected to comply with their substance and spirit. Allegations of violations of these policies should be brought to the attention of the Vice President for Student Affairs, preferably in advance of any presumably inappropriate activities. The Vice President for Student Affairs will investigate the facts of any allegation. Should the Vice President of Student Affairs believe that there is reason for concern the Vice President will consult with a specially formed Political Speakers Committee (PSC). The composition of the PSC is normally the Vice President for Student Affairs (Chair), the Vice President for Academic Affairs, the Chair of the Political Science Department, the Past Chair of the Faculty Senate, the President of the Student Government Association, the Chair of the Council of Clubs, and two members designated by the President of the University. The Chair will call meetings of this *ad hoc* committee should the need arise.

It may rarely be the case that either the PSC or the University administration determines that due to the controversial nature of an invited political speaker (or speakers), the University may not be able to assure the adequate safety of either the University community or the speaker. Similarly, the University administration may decide that a given speaker or presentation threatens or conspicuously undermines the mission and identity of the University. In such exceptional cases, the University of St. Thomas reserves the right to reschedule, reformat or relocate the presentation or, in rare instances, cancel the event. The PSC is encouraged to suggest such solutions and the administration to consider or propose such compromises as well. In all cases, the decision of the President, to whom any decision may be appealed, is final.

SECTION 24: ACCEPTABLE USE POLICY FOR TECHNOLOGY RESOURCES

This policy constitutes a University-wide policy for the acceptable use of the University of St. Thomas technology resources. This policy reflects the ethical principles of the University community and indicates in general, what privileges and responsibilities are characteristic of the University technology environment. This policy is intended to be an addition to existing University rules and regulations and does not alter or modify any existing University rule or regulation.

Policy/Procedures

All technology resources are intended to further the mission of the University and must be used in an ethical and responsible manner. Users are responsible for the care and security of all technological resources provided by the University.

1. Institutional Purposes

Authorized users may use the University technology resources to share information and knowledge in support of the University's mission of education, research and public service, to conduct the University's business and other University-sanctioned activities.

The University acknowledges that incidental and occasional personal use of University technology resources may occur. Such activity must not interfere with University operations, nor compromise the functioning of the University's technology resources, or interfere with the user's employment or other obligations to the University. Any such incidental and occasional use of University technology resources for personal purposes is subject to the provisions of this policy.

The University's technology resources are not to be used for personal financial gain or commercial use that is not directly related to University business. In addition, candidate or party fund-raising, and use by outside organizations not authorized to use University technology resources are prohibited. Authorization for other external uses of University technology resources requires written approval of the Vice President for Information Technology or designee. The University is not responsible for any loss or damage incurred by an individual as a result of personal use of University computing resources.

Users are responsible for using University technology resources in strict accordance with University policies and local, state, and federal laws. These laws cover such areas as illegal access to computer systems, networks, files, copyright, and harassment issues.

2. Security

The user is responsible for correct and sufficient use of the tools available for maintaining the security, privacy and integrity of data. University personnel should exercise diligence in the physical security of all technological resources assigned to them.

3. Confidentiality and Privacy

The University reserves the right to access any University owned or administered technological resources and information contained within these resources. The University regards information stored on computers as confidential. Requests for disclosure of information will be honored under any of the following conditions:

- A. authorization by the owner(s) of the information
- B. by the President
- C. requirement by local, state or federal law
- D. requirement by a valid subpoena or court order

4. Violations

Violation of this policy will subject users to existing University disciplinary procedures and may result in loss of technology privileges. Illegal acts involving University technology resources may also subject violators to prosecution by local, state, and/or federal authorities.

SECTION 25: STUDENT CLUBS AND ORGANIZATIONS

All students are encouraged to become involved in campus life through the many activities, clubs and organizations at UST. All student clubs must be consistent with the Mission Statement of the University of St. Thomas. All clubs and organizations must register in the Office of Student Activities. All-student and undergraduate clubs are encouraged to be members of the Council of Clubs, and graduate clubs are encouraged to be members of the Graduate Club System. All clubs and organizations must have a faculty or staff advisor. The Office of Student Activities can assist students with starting a new campus club or organization. In order to be considered, new clubs or organizations will need to write a constitution, select a faculty or staff advisor, and provide contact information for those students responsible for initiating the club. The Vice President for Student Affairs holds the ultimate responsibility and authority for final approval of any University recognized student club or organization.

Registered clubs will have the following benefits, subject to the approval of the Office of Student Activities:

- Use of University facilities for meetings and for promotion of membership
- Authorization to conduct on-campus fundraising
- The ability to request student activity fee monies from the appropriate SOC
- Listed in the Student Handbook
- A separate e-mail account for member communications

In order to maintain active status, clubs and organizations are required to update their information with the Office of Student Activities at the start of the fall semester. Additional policies and procedures governing approved student clubs and organizations may be found in the Code of Student Conduct. Addi-

tional information, policies, and procedures are available in the Office of Student Activities.

All clubs and organizations are required to have representatives attend a Risk Management Training session. Details are available in the Office of Student Activities.

SECTION 26: STUDENT TRAVEL PROCEDURES

Due to recent State of Texas legislation, the University of St. Thomas has developed the following policies and procedures for UST students traveling to a university sponsored or university supported activity. These procedures are designed to minimize the liability and risk associated with student travel. These procedures apply regardless of funding for the event (i.e. even if student activity fee money is not used for the event, these procedures remain in effect).

Organized Student Travel refers to students carpooling and traveling beyond 60 miles for a university event. It also refers to students traveling by plane or bus to out-of-town events (including but not limited to sport clubs or intramurals). This policy includes students traveling to a conference or to another professional development opportunity.

Policy/Procedure

1. Use of university vehicles

If a university van is being used to provide the means of transportation, this policy is effective. There are specific van procedures that can be obtained from the Security Office (Moran Center parking garage), including having a university approved driver.

2. Student drivers

If students drive their own vehicles for the organized student travel, they must have a valid Texas or other state driver's license and possess personal automobile insurance coverage as mandated by the State of Texas. Vehicles must also have a current state inspection and registration. Copies of both will need to be submitted.

3. Student travel outside of the country

Should the organized student travel take students out of the country, the same rules will apply (including that students must have appropriate licenses, certificates and insurance as required by the country where the student is traveling). Additional paperwork will also be required.

4. Travel forms

The appropriate forms can be obtained from the Office of Student Activities and will need to be completed prior to travel.

5. Process for organizing a trip

Each student trip will need to identify a "trip coordinator" who will be the primary contact for the organization. This person may be a student or faculty/staff advisor. The trip coordinator is responsi-

ble for completing all paperwork at least 14 days prior to the planned trip. **A mandatory pre-trip meeting will be required prior to your first trip. This meeting will be attended by a member of the Campus Life team, the “trip coordinator” and/or the Advisor/Coach.** The meeting will coordinate the paperwork and review the policy for each student making the trip.

Organized Student Travel Paperwork includes:

- Club/Organization Travel Authorization Form (includes trip itinerary)
- All signed travel waivers
- All necessary insurance information from anyone who may be driving during the trip
- Copies of any drivers’ registration and a notation of any vehicle’s inspection expiration date
- Complete emergency contact information on every student traveling Confirmation that all students traveling have an updated medical insurance card with them on the trip
- Copies of the “UST Travel Policy Participant Responsibilities” form to be distributed at the mandatory pre-trip meeting
- Copies of the “Safety Guidelines for Drivers and Occupants” form to be distributed at the mandatory pre-trip meeting

Copies will be left with the Office of Student Affairs and the University Police Department. Originals will stay with trip coordinator during the trip.

SECTION 27: POSTING POLICY

The purpose of these guidelines is to make it known to all parties what can and cannot be posted on the University of St. Thomas campus. The policy covers all signs, posters, flyers and banners of any type designed to advertise a special event or election. It is intended to make advertising by signs, posters, flyers and banners more effective and reduce clutter that detracts from the beauty of the campus.

Definition - The term “posting” here refers to all written and pictorial messages, (e.g. flyers, banners, signs, etc.) which are used for the purpose of advertising campus events.

Guidelines

1. Procedure for submitting materials for posting on campus:

Any member of the UST community may advertise an event by using the University bulletin boards (locations follow). All members who wish to use these boards must comply with the following regulations:

- A. Approval may be obtained during regularly scheduled office hours in the Office of Student Activities (first floor, Crooker Center). Postings around campus are checked daily and removed if not properly approved and stamped. Improper posting could result in the temporary loss of

posting privileges on campus.

- B. Limit size of material to 8 1/2 x 11. Smaller sizes are preferable.
 - C. Postings cannot be posted for more than fourteen days.
 - D. When the amount of material exceeds the space, first priority will be given to those members who are promoting events that are in direct association with UST, or the “date order” of the event.
 - E. Taping on the outside glass of the bulletin board is absolutely prohibited. Members who violate this may lose posting privileges for the remainder of the academic year.
 - F. Should there be a question as to the nature and content of the material(s), the Vice President for Student Affairs or his/her delegate should be consulted for approval/disapproval.
2. For UST events or elections:
- A. Signs may be posted on sticks placed 4 to 5 feet from the sidewalk one week prior to event.
 - B. Be aware of the sprinkler system, which is located all around the mall area.
 - C. Large signs may be attached with durable hooks to second level metal work on the mall.
 - D. Signs may not be posted on the sides of buildings.
 - E. Other posting restrictions may be imposed by the Election Code.

NOTE: All the above must be approved with the signature of the Vice President for Student Affairs or his/her delegate.

3. Outside of Buildings other than Bulletin Boards

The only type of signs allowed outside of buildings other than those on bulletin boards will be signs placed on sticks 4 to 5 feet from the sidewalk. Signs may be placed within the mall, from in front of the library to the north side of Welder Hall and along each side of the sidewalks connecting Mt. Vernon and Graustark Streets. Signs may also be placed along the sidewalks in front and to the side of Guinan Hall on Branard and Graustark Streets.

4. Posters inside academic buildings and classrooms

- A. Limit size of material to 8 1/2 x 11. Smaller sizes are preferable.
- B. Signs will be posted on the bulletin boards only.

NOTE: All the above must be approved with the signature of the Vice President for Student Affairs or his/her delegate.

5. Posters inside of Crooker Center

- A. All signs should be approved by the Vice President for Student Affairs or his/ her delegate.
- B. They may be posted on bulletin boards or hung with string from the second level metal railings (tape should not be used). Signs should not touch the floor or block exits.

5. Banners/Tarps

- A. Banners or tarps must be approved by the Director of Student Activities **prior** to hanging.
- B. Banners or tarps cannot hang in the walkway or intrude upon people's ability to pass through the area safely.
- C. Banners or tarps cannot be posted for more than fourteen days.

Restrictions

1. Postings may not be placed on painted surfaces, glass windows or doors, trees, sidewalks, benches, telephone poles, outside walls of buildings, trash receptacles, lamp posts, telephone booths, vehicles or windshields, bathroom stalls, and walkways, stairways or entrances unless otherwise authorized.
2. Advertising should not be posted earlier than two weeks prior to the event.
3. In the event of high priority or emergency situation, to be defined by University Administration, posting may be permitted on doors, windows, or walls in any building.

Sign Removal

1. The group or individual that places a "posting" (including tarps or banners) is responsible for its removal (including tape, hook or string) no later than two days following the event.
2. In the case of an election, the signs should be removed when the polls close on election day.
3. Signs without appropriate approval may be removed by a person in charge of the building or a representative of the Office of Student Affairs.

Exemptions

1. Exemptions from the above policy will rarely be given, and then only by the Vice President for Student Affairs or his/her delegate.
2. Building supervisors may alter posting regulations within their facilities as needed, but the Vice President for Student Affairs should be informed of any changes in writing

Locations for Posting on Campus

1. Ten outdoor campus bulletin boards (glass cases) around campus on the Academic Mall, Moran Center, Crooker Center and Jerabeck.
2. Bulletin boards located in Malloy basement, Anderson basement, Crooker Center, Jerabeck, Cullen Hall, Doherty Library, Robertson, and Welder Hall.
3. Guinan and Young residence halls (must be approved by the Residence Life Administrative Staff).
