

Viewing Test Statistics

To view overall test results, whether before or after all students have completed the assessment:

1. Under Control Panel, click **Grade Center**, then **Full Grade Center**. (*NOTE: Even if a Survey is not included in grade calculations, it gets its own column in the Full Grade Center grid.*)

2. Click the contextual menu for the column.

3. Select **Attempts Statistics**.

4. A table is displayed for each question showing percentages for each answer.

Test Statistics: Test Chapter 1

The statistics are calculated based only on the attempts being used in the grading option (Last attempt, First attempt, Lowest Score, Highest Score, or Average of Scores). If Average of Scores is the grading option, then all attempts are included in the statistics.

Name	Test Chapter 1
Attempt Score	77.5
Attempts	1 (Total of 1 attempts for this assessment)
Graded Attempts	1
Attempts that Need Grading	0
Instructions	Please have test completed by midnight of October 25, 2010.
Alignments	

Question 1: Multiple Choice Average Score 20 points

Instructional objectives:

Correct	Percent Answered
are broad statements of intent and written in very general terms.	0%
are not important if the teacher is planning to integrate technology into the lesson.	0%
come directly from the unit plan.	0%

Because Random Blocks provide different questions in different orders for each student, the Test Statistics page does not display statistics for questions in those blocks.

Questions 5 - 7 Random Block

Statistical information cannot be provided for Random Blocks.

5. Click the **OK** button to return to the Full Grade Center.
