

UNIVERSITY OF
ST. THOMAS

Alumni Continuing Education Scholarship

The goal of the continuing education scholarship is to recognize and assist alumni who are loyal to the university and choose to continue their education at St. Thomas beyond their first degree. Each scholarship will allow an alumnus current student the opportunity to continue their chosen bachelor's, masters or doctoral degree program at the University of St. Thomas. Recipients must be alumni currently enrolled in another degree program from UST and may be attending the UST campus or online.

ELIGIBILITY REQUIREMENTS

- Applicants must be graduates of the University of St. Thomas.
- Applicants must have completed FAFSA prior to enrollment.
- Applicants must have completed at least six (6) credits towards their current degree program. Completed credits must have been earned with a passing grade. Credits from a previous degree will not count to meet this criterion.
- Applicants must be in good academic and financial standing with a minimum of 3.0 GPA.
- Applicants must not be an employee of St. Thomas, or dependent of or have full employer sponsorship.
- Applicants may be called upon to interview with a selection committee
- The selection committee will be looking for a balance in the following four areas: grade point average and academic rigor; level and scope of community service; level and scope of leadership and involvement in clubs and organizations; personal essay response. It is helpful to include in your personal essay, background information about your experience as an undergraduate.
- Applicants must complete an essay answering the following questions:
 - A) Explain the importance of your major in today's society. How will your studies contribute to your career plans?
 - B) What is your definition of a scholar and how do you fit that definition? How has your accomplishments and/or obstacles in your life influenced your academic and career path? In addition to grades, what distinguishes you as a scholar.
 - C) What were the deciding factors in choosing UST for continuing your education?
