ADDITIONAL QUESTIONS

In the space provided, answer the following questions to the best of your ability.

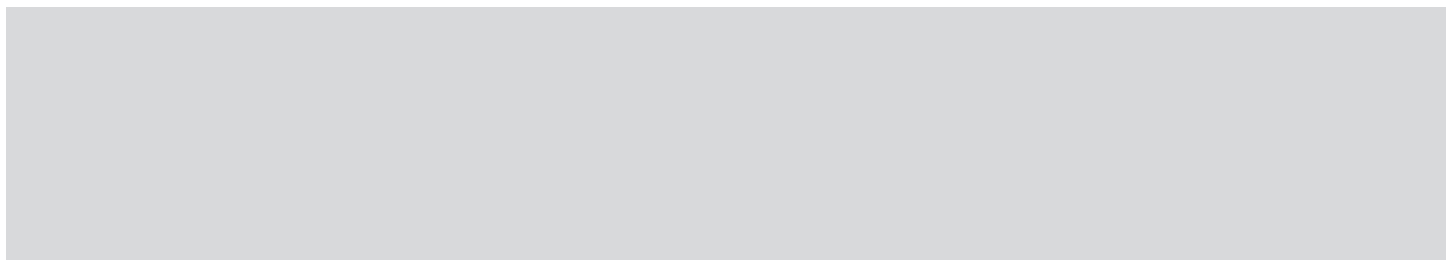

1. How would you describe your reading habits? What is a favorite book you have read in the past two years? What kind of books do you enjoy reading? What kind of books do you struggle with?

2. Why do you want to enter the Honors Program? What do you hope to gain from the experience?

3. Some of the most important learning in the Honors Program takes place outside of the classroom. The Honors Program accordingly has occasional events and discussions outside of class. Do you have the flexibility to attend these events? Do you plan to live on campus or do you plan to commute to school?

4. Is there anything else that is pertinent to your application that was not covered in the previous questions?
