

University of St. Thomas Organ Workshop for Adults June 5-June 9, 2023 Monday-Friday, 1:30pm-3:30pm

Anyone is welcome to participate: whether you are a church musician or a student interested in playing the pipe organ, this would be the opportunity to help you develop or enhance your playing skills.

Attendees will learn about hymn playing and improvisation, organ playing in the Liturgy and vocal/instrumental accompanying on the organ. They will also go on an “organ crawl” to visit different organs around Houston. *Attendees will have an opportunity to perform on a recital on Friday at 5pm.*

Dr. Jeong-Suk teaches organ at the University of St. Thomas in Houston, TX, and holds organist positions at First Presbyterian Church and the Co-Cathedral of the Sacred Heart in downtown. She earned her DMA in Organ Performance at the University of Houston studying organ and harpsichord with Dr. Roberts Bates and Dr. Matthew Dirst.

Learn with others and share your love for the “King of Instruments”!

Registration fee: \$150. Please register by June 1st. Discounts available for UST students and alumni. To register online, please visit www.stthom.edu/mps

For more information, contact Jasmine Hatem, MPS director.
