**NOTES:** The MBA/MHA dual degree program between the Cameron School of Business at the University of St. Thomas and the Healthcare Administration Program – Houston Center, Texas Woman’s University allows students to complete the requirements for both the MBA and MHA degrees under a provision that eliminates overlap of course work.

MHA students who have been awarded the master’s degree from TWU will be awarded the MBA from UST upon completion of eight designated courses (24 credit hours) from UST’s MBA curriculum. UST accepts 12 credit hours of specific courses taken at TWU.
