[Course Hero Scholarship](#)

We, here at Course Hero, wanted to share information about \$10,000 Merit Based Scholarships we are offering every six months.

[Connect First Scholarship](#)

In our work, simplicity, flexibility, and people-centricity are the most important factors for success. When a customer contacts a company, how can a company use that interaction to shape the customer's view of the company and their loyalty to it? Better yet, how can we use the technology we depend on to create connections that guarantee a positive and satisfactory experience?

With this scholarship, we're asking undergraduate students to answer these questions and give their own take on communication technology today and for the future. We want to know your thoughts on the importance of communication and how it will be affected by the evolution of technology. The student who best expresses their views will receive a \$1,000 scholarship to help further their education.

[Create and Go Scholarship](#)

The development of Create and Go was fueled by our passion for writing and following our dreams of making a living by blogging. Our dream was often tested at the beginning of our journey. Trial and error paid off and we created a successful business blogging which made it possible for us to design our own future; work from anywhere in the world and write about what we love while earning an impressive income. We provide our expertise to inspire others to follow their dreams, to design their future. We are offering a scholarship to one undergraduate student who can elaborate their own dreams and how they plan on fulfilling designing their future in a well written and personal piece.

[Dinarys Scholarship Program for College Students](#)

Dinarys is a team of e-commerce designers, developers, and enthusiasts. We are passionate about e-commerce and focus on delivering only the best results to our clients. We believe the future of retail is

online, and that e-commerce makes our lives better. We contribute to that future by creating the best e-commerce web and mobile apps. [GoSkills Scholarship](#)

Look, guys. This is business; nothing personal. Let's talk numbers -- just the cold, hard facts. Did you know... Female founders outperform their male peers? Have you heard... Female CEOs in the Fortune 1000 drive three times the returns as S&P 500 enterprises run predominantly by men? Did you know... Only 18 percent of all startups have a female founder and that only 10 percent of Series A startups had a female founder? In fact, of the \$114 billion given to these startups, 94 percent of it never sees a female founder. And did you know... Women-owned businesses added 340,000 new jobs between 2007 and 2015 while men-owned businesses cut 1.2 million? How about this one... Among the most successful companies, men begin their businesses with six times as much capital as women do. And have you read... Less than five percent of VC dollars go to women-led businesses? Well, we have, and we believe them to be true. That's why we're eager to offer a \$2,000 scholarship exclusively for women who want to execute on their business ideas.

[Global Vision Scholarship](#)

At Global Vision, we are passionate about promoting the packaging and print industry.
