## **MASTER OF PROFESSIONAL ACCOUNTANCY**

MPA program is designed for students who have an undergraduate accounting degree or its equivalent.

### **DEGREE REQUIREMENTS**

MPA students are required to take 30 credit hours in the program. The 30 credit hours comprise 15 hours of core courses and 15 hours of elective courses. The electives are broken down as 6 hours accounting and 6 hours non-accounting electives, plus a 3 hour elective course from either accounting or non-accounting.

### **PROFICIENCY COURSES**

CSB offers proficiency courses to ease the transition to business core classes for students who do not hold an accounting undergraduate degree. These courses are designed to prepare students to meet the demands and rigor of the graduate accounting curricula. Proficiency courses are for students who made a grade of less than a B-.

*\* New graduate business students with an undergraduate GPA less than 3.3 will generally be required to complete two admissions proficiency courses: MBA 5X01 and MBA 5X02, before beginning other studies at the Cameron School of Business.*

The Cameron School of Business is committed to educating ethical business leaders capable of managing organizations of the future. With elite accreditation by the Association to Advance Collegiate Schools of Business, we are ranked among the world's top 5% of business schools.
