University of St. Thomas Immunization Form

All students must complete this form with the appropriate immunization records and submit to the Health Promotion & Wellness Office.

By completing this form, you provide information to help keep you safe and healthy while attending The University of St. Thomas.

This form, along with your immunization records, IS REQUIRED to be on file *prior to registering for classes*. If the appropriate records are not on file a student will be unable to register and attend classes at UST.

All information contained in this form is accessible only to the professional staff of the Health Promotion & Wellness Office and will not be released without written authorization of the student. All health records are filed at the Office of Health Promotion & Wellness and are kept strictly confidential in accordance with HIPAA guidelines.

Texas law (Senate Bill 62) requires that ALL INCOMING STUDENTS under the age of 22, including transfer and graduate students, submit evidence that they have been vaccinated against Meningococcal Meningitis.

- The bacterial meningitis vaccination (MCV4) must have been received **within the last 5 years prior to enrollment.**
- *This record must be received no later than 10 days prior to classes beginning and a student may not register for classes until this record is received.*

All students who will be living on campus are required to submit records of the following in *addition to the Bacterial Meningitis vaccine:*

1. **Tetanus-Diptheria-Pertussis (Td or Tdap):**
   - Primary series plus booster required
   - Must be within last **TEN** years
2. **MMR (Measles, Mumps, Rubella)**
   - Two doses required
3. **Tuberculosis**
   - Required for **all residential students, domestic and international (international students must have been tested within the last 12 months.)**
4. Varicella (Chicken Pox) is HIGHLY recommended

Evidence of vaccination must be submitted in one of the following three formats:

- University of St. Thomas Immunization form bearing the signature or stamp of the physician or his/her designee, or public health personnel (must include the month, day, and year the vaccination was administered).
- An official immunization record generated from a state or local health authority (must include the month, day, and year the vaccination was administered).
- An official record received from school officials, including a record from another state (must include the month, day, and year the vaccination was administered).

Evidence of Declining Vaccination

Your right to claim an exemption from the vaccinations must be submitted on the appropriate form(s) found on the UST web page www.stthom.edu.

NOTE: The "conscientious exemption" form can only be requested through the Texas Department of State Health Services. The exemption form has to be notarized and the original form turned in. Photo copies cannot be accepted.

Mail completed form and immunization records to the address below.
