

UNIVERSITY OF
ST. THOMAS

ASSOCIATE OF APPLIED SCIENCE IN CYBERSECURITY

START YOUR CAREER SOONER
OFFERED 100% ONLINE

In an increasingly digital world, data is currency. Organizations rely on cybersecurity professionals to protect their digital assets from damage or theft. **Houston is a growing technology hub**, one of the top 10 U.S. cities for computer, engineering and information architecture jobs.

In the proposed **100% online** Associate of Applied Science in Cybersecurity program at UST, you'll learn all the skills you need to begin or excel in a **career in computer network administration**.

While it can take 4 years or longer to earn a bachelor's degree, you can complete coursework on your schedule and earn your associate degree within 2 years. You'll complete the program empowered with in-demand skills for rewarding tech jobs.
