

UNIVERSITY OF
ST. THOMAS

MASTER IN EDUCATION: CURRICULUM & INSTRUCTION

18 months | 30 Credit Hours
OFFERED 100% ONLINE

WHAT YOU LEARN

The program is geared towards teachers who want to become experts in their fields, who desire to become leaders and effectively work with colleagues and to influence curricular pedagogy, inform how students learn, how teachers teach, help others how to work effectively with parents, families, and the community, and diverse populations, implement curriculum and instruction and assess in technology, art, mathematics, science, and better help English language learning (ESL), and students with special needs.

CAREER OUTCOMES

Upon completion of the program, students will earn a Master of Education degree in Curriculum & Instruction. Towards the end of the program, students will have the choice to complete the program on time, or defer their graduation to complete additional courses and earn one of the following: Principal Certification, Reading Certification, or TESOL Certification.

PROGRAM IS DESIGNED FOR

Experienced educators who are interested in becoming excellent classroom teachers, Instructional Specialists, District/camps Academic Coordinators, Curricular Consultants (District or State), Peer Mentors/Coaches, Curriculum Specialist in Subject Areas, Lead Teachers, Department/Grade Level or Director of Program(s), and other Curricular Roles.
