

# Safety Week Fall 2023 - Personal Safety

At University of St. Thomas, we are not only concerned about making sure you are safe, but also equipping you with the knowledge to hopefully prevent unsafe situations from happening.

Today, UST is focusing on personal, residence hall, and vehicle safety. You will see posters around campus with personal safety tips.

## The Top 5 Items Stolen on College Campus

1. Bicycles
2. Laptop
3. Cash
4. Cell phones
5. Books

Below are some forms that will assist you in keeping you and your personal items safe.

- [Personal Safety Guidelines and Identity Theft \(PDF\)](#)

Outlines general safety tips everyone needs to know to protect themselves on campus or off.

- [Safety Protocol \(PDF\)](#)

This form outlines the guidelines you will need to use if you encounter an armed subject or disruptive individual.

- [Property Inventory Form \(PDF\)](#)

This form will allow you to register your personal property (example: TV, iPhone, etc.) with USTPD. If it is stolen, the police department will have all the necessary information to find it.

**Remember: The best way to solve crime is to prevent crime. Do your part in keeping our campus safe. Report all suspicious activity.**

Anytime you do not feel safe, please call USTPD at (713) 525-3888. We will assist you in whatever safety concerns you have.

If you any questions, please come by the USTPD or email us at [police@stthom.edu](mailto:police@stthom.edu).
