

Fr. Dr. Witold Kania from the **University of Silesia in Poland** and a visiting professor at the **SJPII Institute** will present a lecture:

St. John Paul II on Forgiveness and Reconciliation

”But forgiveness is inspired by the logic of love, that love which God has for every man and woman, for every people and nation, and for the whole human family. If the Church dares to proclaim what, from a human standpoint, might appear to be sheer folly, it is precisely because of her unshakable confidence in the infinite love of God. As Scripture bears witness, God is rich in mercy and full of forgiveness for those who come back to him (...). God's forgiveness becomes in our hearts an inexhaustible source of forgiveness in our relationships with one another, helping us to live together in true brotherhood.”

Saint John Paul II

This event is open to public.
