MASTER IN INTERNATIONAL BUSINESS

The Master in International Business (MIB) is designed to provide students with the skills and knowledge sets to be effective problem solvers and decision makers in a global business context.

DEGREE REQUIREMENTS

MIB students are required to take 30 credit hours in the program. Eight courses will be offered through Cameron School of Business and two courses will be offered through the Center for International Studies. Students end the program with an international study program.

MIB FOR NON-BUSINESS UNDERGRADUATES

CSB offers proficiency courses to ease the transition to business core classes for students who do not hold undergraduate business degrees. These courses are designed to prepare students to meet the demands and rigor of the graduate business curricula.

The Cameron School of Business is committed to educating ethical business leaders capable of managing organizations of the future. With elite accreditation by the Association to Advance Collegiate Schools of Business, we are ranked among the world's top 5% of business schools.
