Center for Faith & Culture

MISSION STATEMENT

The Donald S. Nesti, CSSp Center for Faith & Culture brings the Catholic voice to the ongoing conversation about the meaning of life, liberty and the pursuit of happiness held in common as Americans. The Center seeks to understand and impact the relationship among the many facets of the American way of life in relation to God's ongoing, loving encounter with humanity. The Center educates faith-full citizens to be artisans of dialogue and proclamation of a God-centered vision of the world and how that vision strengthens the institutions that govern the American people. Through its programmatic offerings the Center serves local and regional civic society in Texas and beyond, including Catholic, ecumenical and interreligious communities, academic university communities and various professional societies.

The Nesti Center for Faith in Culture is honored to be an official member of the Network of Catholic Cultural Centers of the Vatican's Pontifical Council for Culture.
