REQUIRED VACCINES:

- **Meningococcal Meningitis**
  Must have had the vaccine MPSV4 or MCV4 within the last five years and after the age of 16.

- **M.M.R. (Measels, Mumps, Rubella)**
  Two doses of M.M.R. are required.

- **Tetanus-Diptheria**
  Td or Tdap vaccine must have been received within the last 10 years.

- **Tuberculosis (PPD skin test)**
  Must have had the vaccine administered within the last 12 months for all international students.

- **Varicella (Chicken Pox)**
  Highly recommended.

**NOTE:** There is a 10 day waiting period from the time the meningitis vaccine is received to be allowed to move into the residence halls. If the vaccine is not received in time, you will need to make other arrangements for housing until the 10 day waiting period has passed.

*indicates optional vaccine

YOU MAY SEND FORMS IN THE FOLLOWING WAYS:
